Report On
Valedictory program on PHP

10 days training program was organized by Computer Science department under the carrier and placement cell. Main objective of this training program is to aware students about the advanced PHP technology. By using this student can able to develop a interactive website and also update it. 42 students from different classes (B. Sc SY and TY, B.CS SY and TY, And M.Sc.(CS)) Are enrolled for this program and successfully completed 10 days training program.

After completion of training participants of this program are allotted with assignment or project which is given by a company. Students have to develop that project and submit it to company in the month of December 2019. In month of January students are offered by company for internship. They will go there and work on the module and after completion of internship, depending upon the performance they will be recruited by the company. This way is designed for the students placement in company.

The program has been started by welcoming of respected chief guest, Principal Dr J. S. Dargad sir, vice principal Dr. S.S. Bellale, HOD Dr. L. V. Thakare, Program Coordinator Dr. R.B. Shinde and trainer Mr. Suraj Khandale . Introductory speech is given by Dr. R. B. Shinde.

Dr. J.S. Dargad sir congratulate to all the students on successful completion of training and gives valuable guidance to student. Dr. Bellale sir and Dr. L.V. Thakre sir supports to all students and congratulates to all the students on completion of training. Computer science department co Ordinator Ms. S. A.
