ACTION TAKEN REPORT ON FEEDBACK RECEIVED ON CURRICULUM
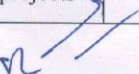

Academic Year 2019 -2020

The action taken report of the feedback received on curriculum for the Academic Year 2019-2020 from different stakeholders as recorded in the minutes of IQAC meetings as follows:

Sr. No	Particulars of Stakeholder	Subjects	Suggestions	Action taken as recorded in BoS minutes
1	STUDENTS		• Need more practical • Assignment submission problem • Offline teaching • I think the curriculum needs to be improved according to the advanced technology • Teachers are very good at teaching but if there will be a smart board in our class then it is is more reliable and interesting • Improvement in learning values • Give some more examples • More explanation and clearing doughts • Teaching staff should focus on teaching method • Guide student to pursue research field... held more seminars for research activities... • Change the our atmosphere • Practical handling is the best option for microbiology. • He should take more numerical • Need more objective class exams	• Suggestions are discussed and forwarded for implementation. • Also some of the suggestions are implemented. • Due to government rule few suggestions are not implemented.
2	TEACHERS		• Curriculum should be more skill and job oriented • It should be able to make capable and honest citizens • Need improvement in practical • Skill enhancement courses, Industrial tie-ups and mou's may be useful for industrial collaborations. • Curriculum can be modified as per some local industries to improve employibility.	Suggestion is discussed in meeting and decided to be implemented.

3	EMPLOYER			**Online Feedback Suggestion:** • Practical equipment's must be latest • Hands on training on PCR needs to be given, Microbiology dept is good • Scope in developing in the field of skill & leadership development in the students **Offline Feedback Suggestion:** • Syllabus must be accordance with MNCs work field • Extra certificate courses are needed • It is still necessary to improve quality of reference material and improvement in development of human resources. • We required /we are willing to higher to this students for our lab or for factory.	• Suggestion is discussed in meeting and forwarded for implementation. • Few suggestions are implemented.
4	ALUMNI			• Focus and prepare to students for practical, attending conferences, presentations, give Guidance for research and project work • Confirm to temporary staff of both teaching & non- teaching (sufferer lot during Covid-19 pandemic). Being a leading educational institute must take care of their all team members, who contribute a lot to built-up these institute great & educational hub in city/state. Hope must be excellent in all forum & all the best • Need to develop Research oriented competitive forum • Employment opportunities • To create a WhatsApp group for placing and sharing job advertisements • Do carry out Campus placements for UG & PG students. • To organize the campus placement for students • College uniforms is old fashion seems like dam a dozen • Do something for computer science student to get scholarship or EBC • Provide awareness on actual industrial applications of subject knowledge • Inclusion of numerical in question papers from BSc onwards to make it easy for students in further education and competitive entrance exams like PhD entrances. • Need to arrange job oriented guest seminars of regulatory experts they will provide guidance to students for preparation to face interviews in organizations like research and development, pharmaceutical and IT industries etc. • Need of internship during course work or weightage should be given for more projects	• Suggestion is discussed in meeting and implemented. • Some of the suggestions are implemented. • Due to Govt. rule few suggestion are not implemented.
