Dayanand Science College Latur

Department of Industrial Chemistry

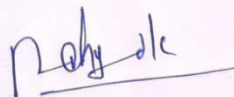

Aim and Organization of study Tour

As per part of syllabus students need to perform the academic research project.

The study of Industrial Chemistry subject depends on combining with classroom study and to take practical experience in various small scale or large scale industries.

This Study tour helpful for students, to start their own business as well as to achieve the job, in various industries like chemical, fertilizers, drugs & dyes, glass, Ceramics, cements, etc.

The whole curriculum of this subject designed related to industrial study and divided in three year, the theoretical study is not sufficient due to this reason industrial visit is compulsory for these students

Outcomes of study Tour

- Study Tour creates interest among the students to join in industry after completion of his degree.
- Some of the students are motivated for start this own business.
- All the students understand that operations & manufacturing process & Industry.
- Student aware about Industrial Safety.
- It is helpful to understand about management, staff, Plant Layout, Research and Development unit, Quality Control Unit, Various Reactors the Industry.
- It is also useful to study Plant utility, Material Balance, Energy Balance and Economics of the industry.
- It is useful to prepare technical project of the syllabus.

Dayanand Science College Latur

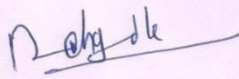

Educational tour report 2015-16

On dated 04.03.2016 an educational tour was organized through Department of Industrial Chemistry and Chemistry to **Balaji Amines Ltd Tamalwadi Dist Osmanabad and science Centre Solapur** with the Permission of Principal Hon. **Dr. J.S.Dargad**. Tour was left from College Premises at 7.30 a.m.

Total **50** Students Participated in this Industrial Visit along with Prof. **Dr. A.M .Chougule** (H.O.D Industrial Chemistry) & **Prof R. K. Jadhav** and **Prof Y. P Sarnikar** (H.O.D department Chemistry), **Dr. J .A .Angulwar**, **Prof R. S. Shinde**, **Prof. N .S .Dhekane**

When we reached to **Balaji Amines Ltd** at 10.30 a.m. Plant In charge **Mr.Gaikwad** (Chemical Engineer) was warm welcome and permitted to enter into the Industry. He guided about entire industry while taking tour and informs about all various departments of the unit and creates interest among students. The Deputy Director of the unit **Mr. Reddy** discussed and cleared doubts of students, he mentions it is the only one of the largest Industry to produces amines by-products in **Asia**.

The students submitted report to the Department, they added in their report, the industry produce amines by-products ethyl amine and Methyl amine, they satisfied to this visit and understood manufacturing process and other activities of the Industry. Students also visited **Science Centre Solapur** and enjoyed the experiments of Physics.

Dayanand Science College Latur

Educational Tour Report – 2017-18

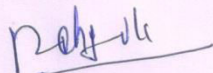

The aim behind the educational trip is to give actual experience of Industrial processes.

B. Sc. III year students visited to Balaji Amines Ltd. Tamalwadi Dist. Osmanabad and Science Centre Solapur on dated 9th January 2018. This one day trip was organized by Chemistry & Industrial Chemistry department.

Students participated of Industrial Chemistry Department were 25 and Chemistry department 30. The students were took knowledge how various types of chemicals are prepared from Ammonia like Methyl Amine, Ethyl amine and the Instruments required for the manufacturing process such as Boiler, Steam Generator, different types of Dyes, Distillation Process etc.

Students also visited Science Centre, Solapur, there they were study various experiments and watched Taramandal, 3D Cinema and Cotton Production, Cotton Cutting and Cloths made from such cotton etc.

To make this educational trip successful following Professors took efforts. Y. P. Sarnikar, Head of Chemistry, Dr. A. M. Chougule, Head of Industrial Chemistry, Dr. J. A. Angulwar, Dr. S. N. Ibatte, Dr. R. S. Shinde, Prof. R. K. Jadhav.

Subject :- Study tour of our College Students at your renowned Industry.

Respected Sir,

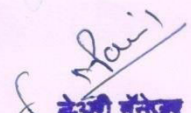

With respect to above cited Subject Department of Industrial Chemistry of our college has organized a one day study Tour at your renowned **Natural Sugars and allied industries** on 25/01/2020

In this educational study tour approximately 10 students along with Five staff members will be visited to your industry, you are requesting to guide and visit every section of your industry. So that our students get facilitated and get familiar with industrial working and processing of the various products.

Hope this study tour will help our students to select industry as their career.

Thank you for giving an opportunity to our students to visit your industries.
