

Dayanand Science College, Latur

Report of Collaborative activities conducted With National Centre for Cell Sciences, Pune

National Centre for Cell
Science

National Centre for Cell Sciences, Pune is providing assistance and advice, as mutually agreeable and appropriate, regarding the college options to obtain: 1) Student exchange, 2) Faculty exchange, 3) Research .

We invited the eminent scientist from NCCS, Pune to act as a Resource person in various Inspire Science Camps.

One of our student Miss. **Vidhi Subhash Palsapure**, M.Sc. II-Microbiology selected for the project training programme in NCCS, Pune under the guidance of G-Grade scientist Dr. Yogesh Sousse and carried out her dissertation entitled “ **Incidence of Antimicrobial Resistant bacteria on the surface of salad vegetables.**”

List of Collaborative Activities during 2016-17 to 2020-21

Sr. No.	Name of the activity	Beneficiary	Number of beneficiaries	Impact
1	Inspire science camp 2 nd -6 th June 2016 (Scientist Shekhar C. Mande, NCCS, Pune acted as a Resource Person)	Faculty and students	200	Students knows advances in the subject
2	Inspire science camp 26 th -30 th Sept. 2016 (Scientist-D, Shailja Singh, , and Scientist-F, Nibedita Lenka, NCCS, Pune acted as Resource Person)	Faculty and students	205	Students knows advances in the subject
3	Inspire science camp 12 th -16 th Oct. 2017 (Prof. G.C.Mishra, Padmashree Awardee, NCCS, acted as a Resource Person)	Faculty and students	200	Students knows advances in the subject
4	Miss. Vidhi Subhash Palsapure, M.Sc. II- Microbiology selected for the project training programme in NCCS, Pune	Student	DSC, Latur-01	Students knows advances in the subject

2. Active participation in the college activities like Conducting Research Activities, & Inspire Science Camps

Scientist and Professors from NCCS, Pune regularly visited at our institution and provided their valuable knowledge to students.
