“Two Days National Workshop on Basic Bioinformatics”

1. Name of the Department : **Microbiology and Biotechnology**
2. Complete name/ title of the Activity : **“Two Days National Workshop on Basic Bioinformatics”**
3. Dates or Duration (from-----to) : **27 & 28 August, 2021 (Two Days).**
4. Venue of the Event : **Virtual platform Using Microsoft Team App**
5. Sponsor/Collaborations (if any) : **IQAC, DSC Latur & Microbiologist Society India.**
6. Level of the event (encircle) : **National**
7. Purpose / aim / objective and outcome of the event:
 - **The main aim of Two Days National Workshop was to introduce the most important and basic concepts, methods, and tools used in bioinformatics and provide competence in computational biology/bioinformatics by providing training in the areas of molecular biology, information technology, statistics and bioinformatics. The program provides hands on expertise in the essential multi-disciplinary fields of genomics, proteomics, protein engineering, metabolic pathway engineering, pharmacogenomics, discovery of new drugs and vaccines, molecular diagnostic kits, agro-biotechnology that comprise the core of bioinformatics. Topics include (but not limited to) bioinformatics databases, sequence and structure alignment, protein structure prediction, protein folding & protein-protein interaction. Emphasis will be put on the understanding and utilization of these concepts and algorithms. The objective is to help the students to reach rapidly the frontier of bioinformatics and be able to use the bioinformatics tools to solve the problems on their own research.**
8. Beneficiaries / participants (Type/number, etc.):
 - **UG & PG Student, Research Scholar & Faculty Member of Life Science.**
 - **No. of Participants: 330.**

Subject :- Invitation as a Resource Person for Online "National Workshop on Basic Bioinformatics."			
Sir, In the Department of Microbiology and Biotechnology, Dayanand Science College, Latur we are organizing a "Two Days National Workshop on Basic Bioinformatics." during 27 & 28 August, 2021. Considering your significant contribution in Bioinformatics in teaching and research, we are delighted to invite you as a resource person to engage a few sessions in the above mentioned national workshop. We are confident that your valuable guidance is going to be extremely beneficial to all the participants in this workshop. Hopefully, waiting for your acceptance. Thanking you.
