Re-DVV Clarification for Metric 2.4.3

RE- DVV Comment:

HEI to re-verify and provide certified document mentioning all details as in Data Template, under the stamp and signatures of head of HEI. Also Provide Appointment letters of all teachers for the latest completed academic year. HEI to also provide duration of each teacher during which he/she has been absence/on leave/transfer etc. since the year of appointment, till date.

HEI Response:

2.4.3 Average teaching experience of full-time teachers in the same institution (Data for the latest completed academic year)

As per RE-DVV, the certified Data Template with stamp and signature of the Principal, Appointment Letters of all full time Teachers, and duration of leave/absence statement is attached. In the data template for metric 2.4.3, data of all full-time teachers has been provided and permanent as well as temporary teachers are considered as full-time teachers

As per the NAAC manual, "A teacher employed for at least 90 per cent of the normal or statutory number of hours of work for a full-time teacher over a complete academic year is classified as a full-time teacher." The teachers list given in this metric as temporary in the data template are appointed on full time basis and given workload of a full time teacher. They are employed for at least 90 percent of the normal or statutory number of hours of work during the year. So the experience of the college full time teachers for unaided programs is to be included in this point. The relevant documents are available at the attachments.

As per the Maharashtra Universities Act 1994 the teacher includes Librarian as well as Director/Instructor of Physical Education (certified copy attached below). The same point is notified in Maharashtra Government Gazette dated 11th January 2017 Page no. 6 (Certified copy attached below). The total years of experience calculated by HEI are 510.

Hence the HEI requests to consider the experience of all the permanent and temporary full time teachers including Librarian and Director of Physical Education and Sports in this metric. Please consider the given 705 years of experience (As per SSR) or 510 years of experience (As per Re-DVV clarification given by HEI for 57 teachers) for this metric.
