## Quiz Competition on the occasion of Birth Anniversary of "Rosa Franklin"

Date: - 25th July 22

Organized by

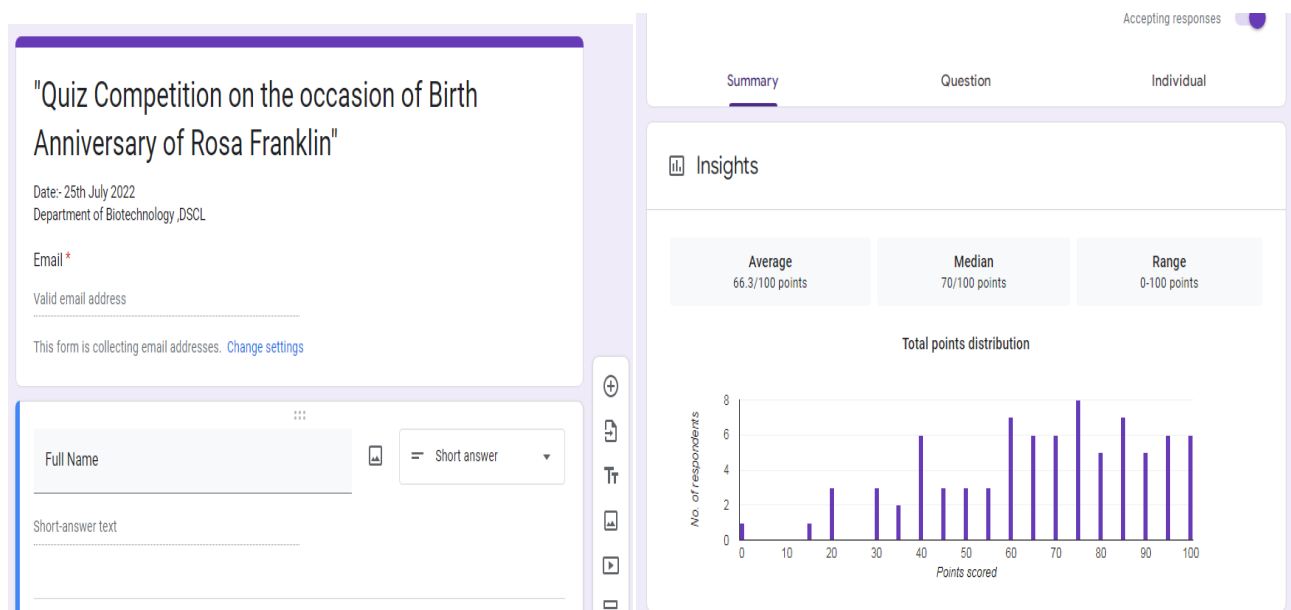

Department of Biotechnology

Quiz Competition on the occasion of Birth Anniversary of "Rosa Franklin" on dated 25th July, 22.

Rosa Franklin was an English, chemist and X-ray crystallographer whose work was central to the understanding of the molecular structures of DNA (Deoxyribonucleic acid), RNA (Ribonucleic acid), viruses, coal and graphite. Quiz competition have been conducted on online plat form via Google forms. The exam link was circulated among students groups and research scholars groups of other institutes on the same day of birth anniversary of scientist "Rosa Franklin". The main aim of the Quiz competition was to motivate students and develops a positive attitude towards the scientific innovations and their contribution in society.

The objective of this event to impart practical skills that will enable to design project and scientific intelligence as well as resilience to build scientific support through education system and inspiring students further to create awareness in field of biotechnology.
