Date: -18th February, 2023

Organized

by

Department of Biotechnology

Quiz Competition on the occasion of Birth Anniversary of “**Francesco Redi**” (18 February 1626 - 1 March 1697) was an Italian physician, naturalist, biologist, and poet. He is referred to as the "founder of experimental biology", and as the "father of modern parasitology". He was the first person to challenge the theory of spontaneous generation by demonstrating that maggots come from eggs of flies.

The objective of this event to impart the Practical skills that will enable to design Project and Scientific intelligence as well as resilience to build scientific support through education system and inspiring students further to create awareness in field of biotechnology.
