Subject: Advance for Conduction the "One Day University Level Workshop on Artificial Intelligence & Machine Learning for Future Perspective"

Respected Sir,

Department of Computer Science organizing "One Day University Level Workshop on Artificial Intelligence & Machine Learning for Future Perspective" we require 10,000/- rs as an advance to conduct this program [amount is utilized for remuneration and TA/DA for resource person, printing purpose etc.].

Kindly sanction this amount from the departmental budget.

Thanks and Regards.

11. Detailed proposal of the activity:

**A. Title of the activity : One Day University Level Workshop on
“Artificial Intelligence & Machine Learning for future perspective”**

B. Background including details of past events organized on the proposed topic:

As the demand of Computer Science and Need of advanced knowledge acquisition is necessary to enhance the student and faculties, department of computer science organizes different events to full fill this requirement. Proposed Program is also the part of this requirement. Awareness of advanced topics, Subjects is the necessity of students educational growth. One day University Level workshop on “Artificial Intelligence & Machine Learning for future scope” gives the hands on practical knowledge to student.

Artificial Intelligence is the current topic Artificial intelligence (AI) is a wide-ranging branch of computer science concerned with building smart machines capable of performing tasks that typically require human intelligence. AI is an interdisciplinary science with multiple approaches, but advancements in machine learning and deep learning are creating a paradigm shift in virtually every sector of the tech industry.

Artificial intelligence allows machines to model, and even improve upon, the capabilities of the human mind. From the development of self-driving cars to the proliferation of smart assistants like Siri and Alexa, AI is a growing part of everyday life. As a result, many tech companies across various industries are investing in artificially intelligent technologies.

Machine learning is a subfield of artificial intelligence, which is broadly defined as the capability of a machine to imitate intelligent human behavior. Artificial intelligence systems are used to perform complex tasks in a way that is similar to how humans solve problems.

C. Aims / Objectives (in at least 500 words):

1. The overall research goal of artificial intelligence is to create technology that allows computers and machines to work intelligently. The general problem of simulating (or creating) intelligence is broken down into sub-problems.
2. Student will get aware about Machine Learning, Basics of Artificial Intelligence, Planning, Knowledge representation, creativity, social intelligence, applications of artificial intelligence
3. Real time Data Analysis using python.

D. Target audience / participants with expected number:

Students :- 100

Teaching staff :-50

G. Expected outcome:

1. Student will get hands on practical for dealing with dataset in Python using Pandas data frame and Numpi array.
2. It will be beneficial for real time hand on experience.
3. Student will able to analyze data using graphical representation. Which will be helpful for predicting correct decisions.

Annexure:-II Institution In Glance

1. The few words about the trust and the Institution:

It was fifty two years ago, when the leading citizens from the different fields of life of Latur area, namely: Shri. Manikraoji Sonavane, Shri Chandrashekarji Bajpai, Shri. Keshavraoji Sonavane, Shri. Ramgopalji Rathi, Shri. Nathmalji Inani, Shri. Shantilalji Shah and Shri. Madanlalji Biyani, recognized the importance of higher education in order to achieve the overall progress and prosperity of the region. These dignitaries came together and decided to start a college in Latur. As many of them were followers of "Arya Samaj", they proposed the name of Swami Dayanand for the education society. Hence, the name "**Dayanand Education Society**". The modest beginning was the foundation of Dayanand College of Arts, Science and Commerce Latur, in the year 1961. In 1964, the inclusion of Late Shri Raja Narayanlalji Lahoti in the society, gave enormous moral support to the development of the society. The society has now made such a rapid progress with the establishment of three separate single faculty colleges by the society.

It was felt by the Society to offer quality education in science to the students of this rural area. Therefore Science College was separated with an independent status as "Dayanand Science College, Latur" in the year 1967. This proved to be a milestone in the development of science education of the region. Under the able and dynamic leadership of Principal K.H. Purohit, the college made outstanding progress. Now "Dayanand Science College, Latur" is one of the well-known and reputed Science Colleges in Maharashtra State. Initially, the college offered under graduate (UG) course with the basic subjects like Physics, Chemistry, Mathematics, Botany and Zoology. Keeping the pace with time and sensing the needs of the students, applied subjects like Industrial Chemistry, Microbiology, Fishery Science and Electronics were introduced in the year 1978-79. The year 1977 saw us through a wonderful achievement viz. a separate new building of Science College was constructed to accommodate class rooms. The new building was inaugurated at the auspicious hands of the then Vice-President of India Hon. Shri. B.D.Jatty. Being a single faculty science college having long standing establishment, the Management, Ex-Principal Dr. G.M. Deshmukh and staff gave a serious thought to introduce post graduate (PG) courses in Physics, Chemistry, and Microbiology in 1992. Introduction of PG courses benefited UG students of this area, because at that time Physics and Chemistry courses were run at the University level only and Microbiology course was run by the Government Institute of Science, Aurangabad. The introduction of these PG courses accounted to the vertical growth of our college. During the same period, the Computer Centre was established to impart computer education to the staff and students leading to certificate course. Journals and periodicals are available in the reading room. The college has a team of highly qualified young and long-standing experienced talented teaching staff holding Ph.D. and M. Phil. degrees. Most of the times the students topped in ranking in the University examinations both at UG and PG levels

Now Dayanand Education Society, has completed 52 years establishing one after another educational Institutes at Latur according to the growing needs of local community. With the independence status, each College is growing up very rapidly. Now all the independent colleges are under the umbrella of Dayanand Education Society, have got best reputation in the state. Today the trust is running the following colleges at its educational complex of 22 acres of land.

- i) Dayanand Science Senior College
- ii) Dayanand Science Junior College
- iii) Dayanand Arts Senior College
- iv) Dayanand Arts Junior College
- v) Dayanand Commerce Senior College
- vi) Dayanand Commerce Junior College
- vii) Dayanand Law College
- viii) Dayanand Pharmacy College
- ix) Dayanand College of Interior Design

Every College has its independent infrastructure and building. Near about 10,000 students are taking educations in these institutes from Junior to Senior College up to UG, PG and Ph.D. level. In this Institute nearly about 800 teaching and non-teaching staff working continuously to achieve the mission and goals of the institute. Each senior college has different additional certificate courses and Research Laboratories. All the colleges run by the trust are well-equipped, furnished fulfilling all the infrastructural needs having 24 hours water supply, sufficient light arrangements and fully qualified and experienced teaching and non-teaching staff. The managing body of the trust is very keen to fulfill the vacant posts as per reservation norms of State Government. The institute is financially competent to start new courses and programmes according to the need of the community. Hon. Chairman, Hon. Office bearers and Hon. Directors of the managing body as well as the members of the trust are dedicated to attain educational goals, having experience of running the trust for long years devoting their valuable time for the fulfillment of educational needs of the local community.

Hon. President, Vice-President, Secretary as well as members of the managing body are always having informal chats with the parents, students, non-teaching employees, teachers and office bearers and heads of the different colleges run by the trust. The purpose is to acquire the first hand knowledge and information and to take feedback on the strengths and weaknesses of the Institutes. The Institute has the huge AC auditorium, Cricket stadium; Tennis court, indoor stadium, big ladies hostel and boy's hostel with facility of Wi-Fi, Sanstha's guest's room, spacious play-ground in the campus. The Institute has provided all the infrastructural facilities like building, laboratories, library, reading room, class rooms, girl's waiting room, store room, multi-purpose hall, purified, hygienically safe and cool drinking water arrangements in each colleges. The academic map is growing fast. The results are above 90% of all the classes. The College are equipped with audio-visuals as well as reprographic and IT facilities. The staff is highly qualified devoted and dedicated to teaching, learning, research and extension work, taking teaching as not profession but mission of their life.

In the last but-one year our Institution celebrated Golden Jubilee Year by organizing different programmes and its closing ceremony programmewas organized by the hands of president of India **Hon. PranbMukharjee, President of India.** in auspicious presence of **Hon. K. Shankarnaryan**(Governor of Maharashtra), **Hon. ShivrajPatilChakurkar** (Governor of Punjab), **Hon. PrathvirajChavan**(Chief Minister of Maharashtra), **Hon. Rajesh Tope**(Minister of Higher Education, Maharashtra), **Hon. RajendraDarda**(Minister of Education, Maharashtra) We are proud to mention that the Institute is completely free from the devastating and destructive activities like ragging, exploitation and torture to the girls as well as the

female staff members, addiction to brown sugar, chorus, ganja, gurd, smoking, tobacco chewing and alcoholism etc. The College Parivar is successful to maintain communal harmony and brotherhood among the students and staff members belonging to different castes and religions. The institute has achieved much, yet it desires to go one step further in each and every academic year. We would like to quote Robert Frost's couplet which was strongly appreciated by Pandit Neharuji, our first Prime-Minister and were placed on his office table throughout his life:

*"The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."*

2. The few words about the Dayanand Science College:

Dayanand Science College, Latur (MS), is unique, first oldest and the finest single faculty college of the region, pursuing excellence in education in several branches of Science. Keeping in view the educational needs of the region, Dayanand Education Society, a local management committee, established Dayanand College of Arts, Science and Commerce in the year 1961. In those years, this was the only college established in this area and was catering the needs of the students. In the year 1967, the multi faculty college was bifurcated giving independent status to Dayanand Science College.

Initially the college offered under graduate courses with basic subjects Physics, Chemistry, Mathematics, Botany and Zoology. Keeping pace with time and sensing the needs of the students, applied subjects like Electronics, Microbiology, Industrial Chemistry, Fishery Science and Computer Science were started from the year 1978 and subsequently, This College has now become a centre to awaken people on the current trends in higher education. Considering the importance of higher education in science, various Post Graduate courses were introduced time to time. M.Sc. Chemistry (Organic), M.Sc. (Microbiology), M.Sc.(Computer Science), M.Sc. (Biotechnology) and PG diploma in Bioinformatics. The continuous research work is going on in the Departments of Mathematics, Microbiology, Biotechnology, Physics, Botany, and Zoology for the guidance to the Ph. D students. Besides imparting education for formal degree and post graduate degree education, the college is offering seven one year career oriented certificate courses under career oriented programs of University Grants Commission.

University examination Results of our college are highly appreciable. Passing percentage of our college is always more than that of university. In this academic year 836 students of which 434 are boys and 395 are girls are studying in the different course. In our college granted permanent faculty members are 25 out of which 12 are Ph.D., holders. The strength of non-grant faculty is 18 and CHB faculty is 21, The total faculty strength is 64 and non teaching granted non-granted faculty is 88.

The College has come under **2(F)** and **12(B)** sections since 1972 of the UGC Act. The college offers **02 UG, 05 PG, 05 Ph.D.** programmes, **07 COP, UGC Certificate courses**. The college accredited with B⁺⁺ Grade in the year 2004 by the National Accreditation and Assessment Council of India (NAAC).

Dayanand Science College, Latur, is unique, first oldest and the finest single faculty college in the region of Marathwada, pursuing excellence in science

education with several branches. Dayanand Science College became independent in 1967. The College not only provides education in basic and applied subjects, but also pays attention to the current innovative approaches towards the higher education. The College has 13 subject combinations for UG programs, 08 PG programs, 05 Research centers and 28 COP/Value added courses. The Research centers have collaboration with the other scientific Institution research centers and scientists of the various countries, such as USA, Korea, Switzerland, Poland, Greece, Malaysia, Romania, Oman, Thailand and Singapore etc. Due to the quality education, the college received different National and International awards and schemes. In the year 2012, our institution received **Shahu-Phule-Ambedkar Award by Government of Maharashtra**. In 2013, the college received **DST-FIST recognition from Department of Sciences & Technology**. In the year 2014, College had been awarded **“A” grade in NAAC Accreditation 2nd cycle with CGPA 3.14 out of 4.00**. Recently College has reaccredited in 2020 and awarded A+ grade with 3.40 CGPA out of 4.00 In the year 2015 College received **Best College (Urban) Award from SRTM University, Nanded**. In the year 2016 College has been awarded **“College with Potential for Excellence Award (CPE)” by UGC** and able to receive grant of Rs.5 Crores in three phases. Our Principal Dr. J.S. Dargad has been awarded **“Best Principal Award” by SRTM University, Nanded**. College also received Rusa Infrastructure grant of Rs 2 Cr in 2018. For campus environment college received **“One District One Green Champion” award from MGNCRE under MHRD**. College also received special recognition as Innovative College in digital technology education from Microsoft India. The college is well known about the development of **“Latur pattern of Education”** in the state of Maharashtra for the meritorious pattern. In last ten years college organized 17 Inspire science campus, 4 national level refresher courses under the co-ordinatorship of Former Principal R.H. Ladda, College organized 3 International, 14 National, 11 State/ Regional conferences and workshops. DSCL students always flourish in University merit list, in extracurricular activities. DSCL has also excellent research & development facilities & activities in basic sciences. Ministry of Power, Bureau of Energy Efficiency of Govt. Of India has given National Energy Conservation Award – 2022 First Prize to Dayanand Education Society’s ” Dayanand Science College, Latur ” on 14th Dec 2022. The Hon President of India Smt. Draupadi Murmu has honoured Principal Dr. J.S.Dargad & Nodal officer Dr. L V Thakre at this event in Vigyan Bhavan, New Delhi.

A. Department at Glance

21st century is a century of digital era. In this era everyone should computer literate. Dayanand Science College established a computer science department in 1999 as a sister department of Physics under the leadership of **Prof. S.V. Deshmukh**. The objective of this course is to bring the youth in mainstream of modern society. As Latur is in Marathwada region and most of the students are from rural area. In order to fulfil the needs of the region and to keep pace with the modern age College started professional UG course **BSC (CS)** in 2009 and PG Course **MSC CS** in 2011. Department Continuously motivate student to become employable in Multinational companies & Industries. **Prof. K. N. Rathod** leads the department from 1 May 2010 to June 2017 with ample of contribution in development of department. Currently the department was headed by **Dr. L. V. Thakre** . **Ms. Jaju S. A.** is working as co-ordinator from March 2015 till date. Workload of Computer Science Subject is distributed among 9 Faculties **Dr. R. B. Shinde** is appointed as permanent full time Faculty as Assistant professor from August 2018 & from 2020 She is Working as a HOD for this department.

May, 2016

Sub:- Award of "Colleges with Potential for Excellence" (CPE) Status during XII Plan period under the CPE Scheme.

Sir/Madam,

This is with reference to the Interface meeting held in the UGC office from 27.01.2016 to 30.01.2016 with the Expert Committee on "Colleges with Potential for Excellence" (CPE) to approve the action plan and budget of colleges during the XII Plan period under the CPE Scheme.

I am pleased to inform you that UGC has approved the College with Potential for Excellence "CPE" Status to your college under the CPE Scheme for a period of five years. The CPE status will be effective from 1st April, 2016 to 31st March, 2021 subject to submission of following certificates/undertaking from the college:-

- 1) Declaration that the salary of teaching and non-teaching staff is being paid by the State Government (along with documentary evidence).
- 2) Undertaking that CPE funds will not be used on un-aided/Self-financing departments/ courses of the college.
- 3) Certificate to the effect that provisions laid down in the CPE guidelines will be strictly adhered to.
- 4) Delinking the plus-2 courses, in case of composite colleges.

Pertinent to mention here that during Interface meeting it was observed that some of the colleges have ambiguity about delinking the plus-2 courses from the colleges. In this connection, it is to inform you that as per the XII Plan CPE guidelines, If a college is a composite college, it should take immediate steps to delink the plus-2 courses from the college.

It is reiterated that 1st instalment of grant under the Scheme will be released to the college only after submission of above documents.

With warm regards,

डॉ. निसार अहमद मीर
संयुक्त सचिव

दयानंद महाविद्यालयात विद्यापीठस्तरीय कार्यशाळा

लातूर : येथील दयानंद विज्ञान महाविद्यालयातील संगणकशास्त्र विभाग आणि स्वामी रामानंद तीर्थ मराठवाडा विद्यापीठ, नांदेड संस्था इनोव्हेशन कौन्सिल (शिक्षण मंत्रालय) यांच्या संयुक्त विद्यमाने बुधवारी (दि.१८) 'भविष्यातील दृष्टिकोनासाठी आर्टिफिशियल इंटेलिजन्स आणि मशीन लर्निंग' या विषयावर एक दिवसीय विद्यापीठस्तरीय कार्यशाळा पार पडली.

कार्यशाळेच्या अध्यक्षस्थानी रसायनशास्त्र विभागाचे प्रमुख डॉ. युवराज सारणीकर होते. याप्रसंगी प्रमुख पाहुणे म्हणून लातूर येथील स्वामी रामानंद तीर्थ मराठवाडा विद्यापीठ, उपकेंद्र स्कूल ऑफ टेक्नॉलॉजीचे संचालक डॉ. विकास हुंबे, रिसर्च असोसिएट आयसीटी, मुंबई व एक्सलेंट इनफोटेक, अहमदनगरचे संस्थापक आफिया खान, संगणकशास्त्र विभाग प्रमुख डॉ.

रोहिणी शिंदे, संगणकशास्त्र विभाग समन्वयक प्रा. संगीता जाजू यांची प्रमुख उपस्थिती होती. याप्रसंगी डॉ. विकास हुंबे यांनी सांगितले की, आज विज्ञान-तंत्रज्ञान, संगणकाच्या क्षेत्रात प्रचंड अशी प्रगती झालेली आहे. या क्षेत्रात भरपूर संधी आहेत. त्यामुळे डाटा सायन्स म्हणजे काय, विंग डाटा आणि त्याची पद्धती समजून घेतली पाहिजे. यानुच आर्टिफिशियल इंटेलिजन्स किंवा मशीन लर्निंग यांचाही संबंध लक्षात घेणे असे ते म्हणाले. याचन व्यक्ती आफिया खान म्हणाल्या की, आर्टिफिशियल इंटेलिजन्स आणि मशीन लर्निंग या प्रणालीचा वापर करून मधुमेह रुग्णाचे त्यांच्या लक्षणांवरून वर्गीकरण कसे होते याचे प्रात्यक्षिकासहित सखोल असे मार्गदर्शन केले. अध्यक्षीय समारोप करताना डॉ. युवराज सारणीकर म्हणाले की, आज संगणकाचे युग असून प्रत्येक क्षेत्रात संगणकाशिवाय पर्यायच

नाही. संगणकाच्या माध्यमातून प्रश्नांची सहज सोडवणूक करता येते. संगणकाचा रसायनशास्त्र, गणित, अग्रिकल्चर अशा प्रत्येक विषयाशी घनिष्ठ असा संबंध आहे. भविष्यातील दृष्टिकोनासाठी आर्टिफिशियल इंटेलिजन्स आणि मशीन लर्निंगची माहिती, त्याचे अद्ययावत ज्ञान विद्यार्थ्यांना अत्यंत ही आधुनिक काळाची गरज आहे असे ते म्हणाले.

प्रस्ताविक संगणकशास्त्र विभाग प्रमुख डॉ. रोहिणी शिंदे यांनी केले तर आभार प्रा. वैभव कुलकर्णी यांनी मानले. सूत्रसंचालन प्रतिक्षा भासले व अनुष्का तांबारे यांनी संयुक्तरित्या केले. याप्रसंगी प्रा. मंगेश सुभारे, प्रा.सुजाता काळे, प्रा. के. एस. शहापुर, प्रा. एस. टी. सोमवंशी, प्रा. पी. डी. नंदगावे, प्रा. के. एस. सारडा, प्रा. व्ही. ए. पवार, प्रा. पी. आर. सलमर, डॉ. शेटकार रामश्री, प्रियंका हिप्परकर, राहुल बनभेरू,

शशिकांत गुर्जे, राजेंसाहेब पांचाळ, हरिओम पाटोळे तसेच कुमारस्वामी महाविद्यालय, औसा येथील डॉ. विजयकुमार माने, लातूर येथील एम. एस. बिडवे अभियांत्रिकी महाविद्यालयातील प्रा. भाग्यश्री रासुरे, प्रा. मनीषा बिडवे, प्रा. हेमाली शहा, प्रा.सुशांत देशमुख, प्रा.मनोज धपपाधुळे, दयानंद कला महाविद्यालयातील प्रा. दुर्गा शर्मा, प्रा.इरफान शेख, दयानंद वाणिज्य महाविद्यालयातील प्रा. माहेश्वरी पटणे, प्रा.प्रसाद पाटील, एम.डी.ए. तंत्रनिकेतन कोळ्या येथील प्रा.शिवपुजे नितिन, व्ही. डी. देशमुख कॉलेज ऑफ एमसीए, कोळ्या येथील प्रा. प्रतिक्षा बेंबळकर यांच्यासह कार्यशाळेत सहभागी झालेले विद्यापीठ परीक्षेतील विविध महाविद्यालयातील प्राध्यापक, विद्यार्थी आणि महाविद्यालयातील प्राध्यापक, शिक्षकेतर कर्मचारी आणि विद्यार्थी असे एकूण १५५ जणांची उपस्थिती होती.
