Awareness Program on the occasion of "World Biofuel Day - 2023"

Date: -10th August, 2022
organized by
Department of Biotechnology

Awareness Program on the occasion of "World Biofuel Day - 2023". Awareness Program have been conducted on offline platform. The day honor's Rudolf Diesel, the person who created the diesel engine. Ministry of Petroleum and Natural Gas celebrates the day since 2015 with a theme. But due to no official announcement of the theme, World Biofuel Day will be celebrated on the theme of 2022, 'Biofuels for Sustainability and Rural Income.'

World Biofuel Day celebrates one of the most remarkable inventions of history. On this day in 1893, Sir Rudolf Diesel successfully replaced peanut oil with fossil fuel to operate diesel engines. This discovery led to new channels of renewable and sustainable sources of energy.

The main aim of the Awareness Program was to motivate students and develops a positive attitude towards his scientific innovations in biotechnology and their contribution in society.

The objective of this event to impart the Practical skills that will enable to design Project and Scientific intelligence as well as resilience to build scientific support through education system and inspiring students further to create awareness in field of biotechnology.
