

Dayanand Science College, Latur.

Department of Biotechnology

Events organized during the Academic year 2022-2023

(Conference/Workshop/Symposium/Seminar/Guest Lecture/Special Day Celebration/Visit/Exhibition/Welcome function/Farewell function/Sport activities/NSS activities/NCC activities/Portfolio activities etc.)

1. Name of the Department : Department of Biotechnology, DSCL
2. Complete name/ title of the Activity : **Guest Lecture on “Career Opportunities in the field of biotechnology”.**
3. Dates or Duration (from-----to) : **14th August, 2023**
4. Venue of the Event : **Hall No.13, Dayanand Science College, Latur**
5. Sponsor/Collaborations (if any) : Dayanand Science College, Latur
6. Level of the event (encircle) : **Department**
International / National / State / University / District / College / **Department** etc.
7. Purpose / aim / objective:
 - To increase the awareness about Importance of Research in the field of Biotechnology.
 - To motivate students and make a positive attitude towards Biotechnology field for future.**Outcome of the event:**
 - Students were motivated about importance of Research in Biotechnology.
 - Students were known about job opportunities in the field of Biotechnology & motivated to prepare for an interview.
8. Beneficiaries / participants (Type/number, etc.) :
 - Students: 74 Faculty: 04
9. Other major staff / student / Institution involved in the organization of the activity:
Dr. K. S. Gomare, Institution Innovation Council Members, DSCL
10. Photographs (with captions) submitted (number) : 08
11. Evidence produced (Certificate, Flyer, etc.)

Organized

Guest Lecture on

“Career Opportunities in the field of Biotechnology”

The event supported by Department of Biotechnology (DBT), DSCL as part of innovative activity relating to offline learning and research focusing activities by considering Opportunities in India and Abroad in Life Sciences.

Aim & Objectives

The main aim of the Career Guidance was to increase the awareness about Importance of Research in Life Sciences. The objective of this event was to interact with UG and PG students to make them aware about importance of Research in Lifesciences, to run Research Projects in fields of mutual interests and funding resources to share the academic publications and reports, Opportunities for beneficiaries to avail laboratory and library facilities.

Main Venue – Hall No.13, DSC, Latur

Date: 14th August, 2023

Time: 12:30pm

Participants – UG & PG Students

Guest: Ms. Pooja Gundure

The main subject of Ms. Pooja Gundure talk was on the “Career Opportunities in the field of Biotechnology” Understanding and finding the answers to our questions is important because it helped us create new ideas, innovations, technologies, and resources in life Sciences. Ms. Pooja Gundure highlighted opportunities in the field of research after graduation and post-graduation. She also guided on various exams conducted by various national level organizations like IIT-JAM, GATE-JRF, CSIR-JRF, DRDO, DST, ICMR & FSSAI. She guided students by giving as an example of her own experience in this field. In a one-day session, she solved the research problems in the minds of the students and guided them to the future research opportunities in biology.

The main purposes of research are to inform action, gather evidence for theories, and contribute to developing knowledge in a field of study. This article discusses the significance of research and the many reasons why it is important for everyone not just students and scientists. Understanding that research is important might seem like a no brainer, but many people avoid it like the plague. Yet, for those who like to learn, whether they are members of a research institution or not, conducting research is not just important it's imperative. It's a tool for building knowledge and facilitating learning. It's a means to understand issues and increase public awareness. It will definitely help us for writing the proposal for funding to the extended research ideas in the field of life sciences. At last student of B.Sc. BT SY share her viewed on the occasion of this guest lecture.
