ATR

On Guest Lecture "Hypersensitivity"

1. Name of the Department : Department of Microbiology
2. Complete name/ title of the Activity : Guest Lecture On "Hypersensitivity "
3. Dates or Duration (from-----to) : 07/10/23(Saturday)
4. Venue of the Event : Dept. Of Microbiology
5. Sponsor/Collaborations (if any) : Dayanand Science College. Latur
6. Level of the event (encircle) : Department

7. Purpose / aim / **objective** and **outcome** of the event:

Objectives:

- 1) To explain the concepts of hypersensitivity to students .
- 2) Students should be able to recognize how hypersensitivity and allergy derive from mis-direction of normal adaptive immune responses.
- 3) Students should understand the immunogenic mechanisms involved in Hypersensitivity

Outcomes:

- 1) Students betterly understood the concepts of Hypersensitivity well
- 2) Students now well known about types of hypersensitivity
- 3) Students well known about preventive and control measures of Hypersensitivity

8. Beneficiaries / participants (Type/number, etc.): 34

9. Other major staff/ student / Institution involved in the organization of the activity:

Prof. Dr. B.S.Nagoba , Assistant Dean ,MIMSR Latur.

10. Any other information / comment / qualitative remarks:

11. Photographs (with captions) submitted (number): 03

12. Evidences produced (**Invitations Letters/Attendance/Newspaper Cuttings/ Certificates/Summery Report**)

13. Name and signature of Coordinator of Programme: **Asst. Prof. S. D. Patil**

Report On

Guest Lecture on "Hypersensitivity "

Hypersensitivity is an abnormal physiological condition in which immune response will occurring in the response to an antigen or allergen. So Students should be able to recognize how hypersensitivity and allergy derive from mis-direction of normal adaptive immune responses. Also Students should understand the immunogenic mechanisms involved in Hypersensitivity department of Microbiology going to organized guest lecture on "Hypersensitivity " on 07/10/23 on Saturday at 3-5 pm .For this department invited Prof.Dr.B.S.Nagoba sir ,he is an Assist Dean in MIMSR Latur. Guest Lecture was organized for PG Microbiology Students .Near about 34 microbiology students were attend this lecture .
