Background:-

On 16/08/2024, the Study Tour at Yedshi Forest is successfully held which is organized by Department of Botany, Dayanand Science College, Latur. This tour was attended by 48 students.

Aims / Objectives:-

1. To give knowledge about natural vegetation.
2. To get knowledge about how to store and transport the plant specimens.
3. To collect specimens of algae, bryophytes, pteridophytes, angiosperms etc.

The proposed results were:-

- To increase the interest in natural vegetation.
- To make students aware about biodiversity.

Participants:-

For this tour 48 students were participated.

Outcomes of study tour:-

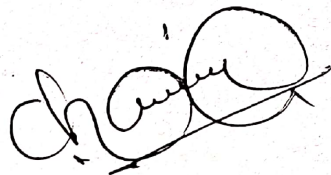

1. Students were aware about biodiversity.
2. It is helpful to develop the skills of students to prepare herbarium and preservation of algae, bryophytes etc.

Acknowledgements:-

It has been our pleasure to organize study tour for botany graduate students of Dayanand Science College, Latur. I am thankful to all the participants for attending the tour. I am sure that the participants must have benefitted by attending this tour.

Report on Study Tour

Place: Yedshi, Date: 16-8-2024

A short tour was organized by Botany Department at Yedshi, Dist. Osmanabad, on 16th August, 2024.

This visit was organized to study the biodiversity and to collect plant specimens such as angiosperms for herbarium, algae, bryophytes, etc. for submission in practical examination. Teaching staff members Dr. C. S. Swami, Mr. S. K. Alane, Dr. M. K. Gurme, Dr. P. V. Mane, Miss. N. N. Shaikh, as well as non-teaching staff members Mr. R. V. Salgar, Mr. N. R. Baheti and Mr. Rohit Kale along with 48 students were present in this visit.

Yedashi is situated at about 80 Km away from Latur and consists of a dense forest rich in flora and fauna. This place is also famous for temple of Lord Ramling and hence visited by people throughout the year. Near the temple, there is a waterfall which adds the beauty of nature. The students and staff gathered in college campus at 8:15 AM. The students carried with them polythene bags, papers, small bottles, forceps, scissors, etc. for carrying specimens. A luxury buse was arranged for the tour. Journey was started at 8:30 AM. Breakfast was served in the bus. We reached at Yedshi at 10:30 AM.

After reaching at Yedshi, we entered in the forest area. During excursion, we found that forest is rich in biodiversity. The students collected the different specimens of algae, bryophytes, pteridophytes and angiosperms. During the excursion, the diversity of plants with reference to their habitat, morphology, economic use, etc. was explained by the teachers. After walking together in forest for about 2 hours, we enjoyed lunch. Then, we went towards the temple, after having darshan of Lord Ramling, we came to waterfall. It was a beautiful location, where 1 hour was spent. After that, we came towards the bus and return journey was started. We reached to Latur at 6:30 PM.

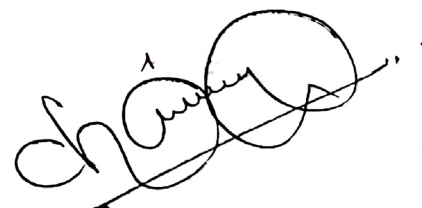

Outcomes of the tour:

- 1) The students learnt about biodiversity in plants.
- 2) They collected plant specimen for submission purpose.
