

Dayanand Education Society's

Dayanand Science College, Latur

(NAAC A+ with 3.40 CGPA)

Best Practices in Dayanand Science college during 2023-2024

1. Best practice -1

Scientific augmentation in the students through celebration of birth Anniversaries of scientist and celebration of world creativity and innovation Day through IIC

Dayanand Science College, Latur, takes pride in fostering scientific temperament and innovation among students through unique initiatives. Two exemplary practices include celebrating the birth anniversaries of renowned scientists and observing World Creativity and Innovation Day under the Institution's Innovation Council (IIC).

The college commemorates the birth anniversaries of pioneering scientists like Antony van Leeuwenhoek, Marie Curie, and C.V. Raman etc. These events inspire students by showcasing the life stories, groundbreaking discoveries, and struggles of these scientists. The activities include quizzes, poster presentations, expert talks, and exhibitions, encouraging students to connect with the scientific heritage and nurture a research-oriented mindset. This practice not only honors scientific legends but also instills a sense of curiosity and passion for science among the students. As part of IIC, the college celebrates World Creativity and Innovation Day to promote entrepreneurial and innovative thinking. Activities conducted under IIC providing a platform for students to showcase their creative solutions to real-world problems. These events empower students to think critically and develop skills essential for their academic and professional growth. These practices reflect the college's commitment to holistic education by cultivating scientific inquiry and innovation, thereby preparing students for a dynamic and challenging future.

2. Best Practice-2

Financial assistance to meritorious students through Dayanand Education society and Dayanand Science College

(a) University merit rankers- Felicitation of meritorious students (Gunvatta Sanman Yojana) is one of the best practices adopted by the college. These students are awarded as per their subject wise merit with the cash prizes from deposit money (interest generated from the money deposited by the Trustee, Alumni, faculty members and parents' donors). List of merit students is displayed & the prizes are distributed in gathering and all donors are invited and true copies of the certificates (certificate Xerox) of merit students are also given to donors.

(b) NSS/NCC/Sports/Cultural activities- Many students participate in various University, State, National level games and achieve success. These students need sports materials like Badminton

rackets, cricket bat, sports shoes, balls, ropes, track suits etc. The College promotes these students by giving them incentives in the form of materials so that they can mark their achievement in specific sport competitions.

(c) For creative writings in *Unmesh*- The College publishes annual magazine *Unmesh*. The College encourages the students to contribute their writings in the form of poetry, essay, social issue, or any other issue they wish to write in any one of the languages (Hindi, Marathi and English). From this literature, The College selects the Best three writings and awards them with the cash prizes. By doing this we try to explore the literature writing skills of students.
