

Dayanand Science College, Latur

Department of Biotechnology

Events organized during the Academic year - 2023-24

(Conference/Workshop/Symposium/Seminar/Guest Lecture/Special Day Celebration/Visit /Exhibition/Welcome function/ Farewell function/Sport activities /NSS activities/ NCC activities/ Portfolio activities etc.)

1. Name of the Department: Department of Biotechnology, DSCL
2. Complete name/ title of the Activity: Celebration of “World Soil Day 2023”.
3. Dates or Duration (from-----to): **05.12.23**
4. Venue of the Event: **Department of Biotechnology (Online)**
5. Sponsor/Collaborations (if any) : Dayanand Science College, Latur
6. Level of the event (encircle) : **National**
International / **National** / State / University / District / College / Department etc
7. Purpose / aim / objective:
 - To develop interest in scientific innovation and their history.
 - To develop a scientific approach towards Drug chemistry
 - To motivate students and make a positive attitude medical biotechnological innovation.
- Outcome of the event:**
 - Soil puts food on our plates, purifies our water, protects us against flooding and combats drought. Soil Conservation is a combination of practices used to protect the soil from degradation.
8. Beneficiaries / participants (Type/number, etc.):
 - 33 Participants
9. Other major staff / student / Institution involved in the organization of the activity:
Dr. K. S. Gomare, Institution Innovation Council Members, DSCL
10. Any other information / comment / qualitative remarks:
11. Photographs (with captions) submitted (number):02
12. Evidence produced (Certificate, Online competition etc.)
 - Certificate, Flyer
13. Name and Signature of Coordinator: **Ms. A.A. Bidkar**
14. Link: <https://forms.gle/xmy4sBN3qscM2o2cA>

Online Quiz on the occasion of “World Soil Day”

Date: - 5th December 2023

Online Quiz on the occasion of “World Soil Day”, Our planet’s survival depends on the precious link between soil and water. Over 95 percent of our food originates from these two fundamental resources. Soil water, vital for nutrient absorption by plants, binds our ecosystems together. This symbiotic relationship is the foundation of our agricultural systems.

However, in the face of climate change and human activity, our soils are being degraded, putting excessive pressure on our water resources. Erosion disrupts the natural balance, reducing water infiltration and availability for all forms of life.

Sustainable soil management practices, such as minimum tillage, crop rotation, organic matter addition, and cover cropping, improve soil health, reduce erosion and pollution, and enhance water infiltration and storage. These practices also preserve soil biodiversity, improve fertility, and contribute to carbon sequestration, playing a crucial role in the fight against climate change.

The main aim of the Quiz was to motivate students and develops a positive attitude towards the Soil Conservation. The objective of this event to impart practical skills that will enable to design project and scientific intelligence as well as resilience to build scientific support through education system and inspiring students further to create awareness in field of biotechnology.

WORLD SOIL DAY
DECEMBER 05th

National Level Online Quiz On the occasion of “World Soil Day”

Date:- 5th December 2023
Department of Biotechnology, DSCL

Dayanand Science College, Latur

Department of Biotechnology

Events organized during the Academic year - 2023-24

Dayanand Education Society's Dayanand Science College, Latur

Affiliated to Swami Ramanand Teerth Marathwada University, Nanded, NAAC A+ (CGPA 3.40), DST-FIST Recognition, Rusa Infrastructure Grant 2 Cr, Best College Award from SRTMUN, Best Principal Award from SRTMUN, Microsoft's Innovative & Showcase College in Digital Technology, 16th State Level Award for Excellence in Energy Conservation & Management by Maharashtra Energy Development Agency First Prize - 2021, One District Green Champion Award For Latur 2020-21 by MGNCRE, National Energy Conservation Award First Prize-2022, Second Prize for Unmesh 2021-22 by SRTMUN, National level First award for Scientific Calendar - 2023 by MBSI

Department of Biotechnology

In association with

Microbiologists Society, India

Organizing

“National Level Online Quiz”

On the occasion of

World Soil Day – 5th December 2023

Topic: Soil Conservation

Important Dates- Quiz Will Be Opened From 5/12/23 to 8/12/23

E-Certificate will be received after submission of response

We have soil to farm, not to harm. We are the reason for soil pollution so we must be reason of its solution. Soil is the Soul of the earth, conserve it.
