EDUCATION

SGGSIE&T NANDED
BTech in Computer Science
Feb 2021 to May 2024
Current CGPA: 8.79 / 10.0

RAJARSHI-SHAHU-MAHAVIDYALAYA LATUR
XI & XII HSC SCIENCE
2018 to 2020
Percentage : 84.46 %

SHRI-SHAMBHULING-SHIVACHARYA-VIDAYALYA, LATUR
X SCC
March 2018
Percentage : 97.20 %

SKILLS

PROGRAMMING LANGUAGES
• Python | C++
• JavaScript (BASIC)
• Node.js (BASIC)

WEB DEVELOPMENT
• HTML | CSS | JS
• React.js | Bootstrap
• MySQL

TECHNOLOGIES
• Github | Linux | Vs Code
• AWS | Manual testing | jira |
• API testing | Agile Methodology

CERTIFICATIONS

TECHNOLOGIES
IBM Cloud Basics
Python Basics HackerRank
Problem Solving HackerRank

EXPERIENCE

OASIS INFOBYTE | WEB DEVELOPMENT
1 MONTH | Online
• Spearheaded a **Web Development** internship at **OASIS INFOBYTE**.
• Worked on various web development projects using HTML, CSS, JavaScript.
• Demonstrated a strong work ethic and eagerness to learn throughout the internship.

PROJECTS

SOCIALCIRCLE | WEB APP | Git Link
• Developed a full-featured social media platform using the MERN stack
• Implemented user registration and authentication with JWT, including profile image uploads via Multer
• Created a dynamic home page for posting text and images, liking/disliking posts, and commenting.
• Designed a friend management system allowing users to add friends and view profiles with detailed information

PHISHING URL DETECTION | WEB APP | Git Link
• Phishing URL detection application using ML
• HTML, CSS based Frontend
• deployed using Flask as backend

DYNAMIC WEATHER WEBAPP | WEB APP | Git Link
• I successfully created a dynamic web application using Node.js, HTML, CSS, and JavaScript.
• The focus of my project was to provide real-time temperature status to users.
• Leveraging the power of Node.js, I implemented a server-side application that fetches the current temperature data from a reliable weather API.

ACHIVEMENTS AND RESPONSIBLITIES

• Achieved victory twice in the national-level intercollege math competition hosted by the Bhaskaracharya Math Club during a technical festival Pragyaa.

• Coordinated events as a Joint Coordinator at Utsav and served as a pivotal member of the Zenith Club, showcasing proficiency in event management and contributing to the successful execution of various initiatives.

• Achieved a competitive standing on LeetCode with a rating of 1436 and proficiency in solving 100+ problems and in CodeShef i am a 2 Star Compitative Coder.

PERSONAL DETAILS

• Date of Birth: 02-01-2002

• Father's name: Govind Suryawanshi

• Address: New Bhagya Nagar, Latur-413512
