Background

In the Academic Year **2024–25**, the **NEP 2020** curriculum was successfully implemented for the **First Year B.Sc.** students. After its successful execution, the curriculum is now to be extended to the **Second Year B.Sc.**

In the month of **May 2025**, the **Second Year NEP 2020 syllabus** was designed by the **University** in consultation with the **Board of Studies (BOS) members**. To ensure its smooth implementation across all colleges affiliated to **SRTMU, Nanded**, Dayanand Science College took the initiative to organize a gathering of all **B.Sc. faculty members and BOS members**. The objective of this meeting was to discuss and plan the effective execution of the **Second Year NEP 2020 syllabus** in the upcoming academic session.

The proposed results were:

- 1. Clarity on NEP 2020 Implementation**
 - Faculty members and BOS members will gain a clear understanding of the structure and guidelines of the **B.Sc. Second Year NEP 2020 syllabus**.
 - Uniform strategies for syllabus execution will be developed across all affiliated colleges.
- 2. Planning of Practical Sessions**
 - Decisions will be finalized on how to conduct **practical components** effectively under NEP 2020.
 - Sharing of best practices for laboratory work and assessment methods.
- 3. Generic Elective Subjects**
 - Clear roadmap for the selection, teaching, and evaluation of **Generic Elective (GE) subjects**.
 - Ensuring students get exposure to **interdisciplinary learning** as per NEP 2020 guidelines.
- 4. Curriculum Delivery and Pedagogy**
 - Adoption of **student-centric and activity-based learning methods**.
 - Training faculty members on effective use of **ICT tools and blended learning approaches**.
- 5. Assessment and Evaluation**
 - Standardization of **internal and external evaluation methods** for uniformity across all colleges.
 - Development of rubrics for **continuous internal assessment (CIA)**.
- 6. Faculty Collaboration**
 - Stronger coordination among faculty members from different colleges affiliated to **SRTMU Nanded**.
 - Sharing of resources, study material, and innovative teaching practices.
- 7. Roadmap for Future Implementation**
 - Preparation of an **action plan** for smooth transition to **Third Year NEP 2020 syllabus** in the following academic year.
 - Identification of challenges and proactive measures to address them.

Participants

A total of **35 faculty members** participated in the workshop, which included:

- Faculty members from **Dayanand Science College**
- Faculty members from **other affiliated colleges under SRTMU, Nanded**

Inauguration & Planary Presentation :

The workshop commenced with the Inaugural Session.

- Dean of Science & Technology Dr. M. K. Patil presented the objectives of implementing the NEP 2020 syllabus for B.Sc. Second Year.
- Dean of Interdisciplinary Schools Dr. Chandrakant Baviskar Senet Member Dr. A. T. Shinde & Dr. Deepak Bachewar were present for this inauguration
- The workshop was formally inaugurated by Pro-Vice Chancellor, Dr. Ashok Mahajan.
- President of Dayanand Education Society Hon. Laxmiramanji Lahoti –“Practical and skill-based knowledge is very essential for the career development of college students.”
- In the Second Session of Workshop Dr. R. R. Londhe delivered the Plenary Lecture on the theme “*Implementation of NEP 2020*”, providing valuable insights and practical strategies for effective curriculum execution.

Outcomes of this Workshop:

The workshop enhanced faculty knowledge of the **Computer Science curriculum under NEP 2020**, providing clarity on syllabus structure, objectives, and teaching methodology. Participants gained insights into **curriculum implementation, practicals, and Generic Electives**, while also exploring **modern pedagogical approaches** like ICT and activity-based learning. Common strategies were finalized to ensure **standardization across colleges**, and the event fostered **collaboration, networking, and resource sharing**. Finally, it laid the groundwork for the **future implementation of NEP 2020 in higher years**, with identified challenges and proposed solutions.

Subject: Heartfelt Thanks for Your Valuable Contribution.

Respected Sir,

On behalf of the Department of Computer Science, Dayanand Science College, Latur we extend our sincere gratitude to you for your kind support and for sharing your valuable knowledge during the One Day Workshop on Implementation of B.Sc. Second Year Syllabus held on 8th July 2025.

Your enlightening insights, active guidance, and practical suggestions were truly inspiring and immensely beneficial for all the faculty members present. Your contribution has significantly enhanced our understanding of the NEP-aligned curriculum and has laid a strong foundation for its effective implementation.

As the National Education Policy (NEP) implementation is a collective and collaborative effort, your involvement has not only empowered our faculty but also contributed toward the overall academic growth of our students.

We truly appreciate your efforts and look forward to continued academic collaboration in the future.

Thank you once again.

One Day Workshop on Implementation of Curriculum of B. Sc. II in NEP-2020

In the Academic Year 2024-25, the NEP 2020 curriculum was successfully implemented for the First Year B.Sc. students. Following its success, the curriculum is now to be extended to the Second Year B.Sc. In May 2025, the syllabus was designed by the University in consultation with the Board of Studies (BOS) members. To ensure smooth implementation across colleges affiliated to SRTMU, Nanded, Dayanand Science College organized a workshop for B.Sc. faculty members and BOS members. The objective was to discuss, plan, and streamline the effective execution of the Second Year NEP 2020 syllabus. Program was divided in two session first inauguration and second planning and discussion.

For inauguration following delegates were present **Dr. M. K. Patil** (Dean, Science & Technology) presented the objectives of implementing the Second Year NEP 2020 syllabus. Pro-Vice Chancellor, **Dr. Ashok Mahajan** formally inaugurated the workshop. Distinguished guests included **Dr. Chandrakant Baviskar** (Dean, Interdisciplinary Schools), **Dr. A. T. Shinde** (Senate Member), and **Dr. Deepak Bachewar. Hon. Laxmiramanji Lahoti** (President, Dayanand Education Society) highlighted that "Practical and skill-based knowledge is very essential for the career development of college students."

For Planning and discussion Board of studies members **Dr. R. R. Londhe**, **Dr. P. A. Kadam**, **Dr. Gajanan Kurundkar**, **Dr. Shireeshkumar S. Rudrawar**, **Dr. Sadanand Awale** and faculty members from other colleges affiliated to SRTMU Nanded were present. In the second session, **Dr. R. R. Londhe** delivered a plenary lecture on "Implementation of NEP 2020", offering valuable insights and strategies for effective curriculum execution.

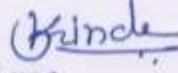

A total of 35 faculty members attended the workshop, including:

Discussion was done on following points

- Clarity on NEP 2020 syllabus structure and guidelines.
- Effective planning of practical sessions and assessment methods.
- Roadmap for Generic Elective subject implementation.
- Adoption of modern pedagogical methods (ICT, blended learning, activity-based approaches).
- Standardization of evaluation across affiliated colleges.
- Strengthened faculty collaboration and resource sharing.
- Preparation of a roadmap for future implementation (Third Year NEP 2020 syllabus).

The workshop strengthened faculty understanding of the NEP 2020 Computer Science curriculum, providing clarity on teaching methodologies, curriculum delivery, and evaluation. It also promoted uniformity across colleges, encouraged collaboration and resource sharing, and laid the foundation for smooth implementation in higher years.
