| 14.    | Outcomes of the Event         | <p>The training and internship drive was conducted with the primary purpose of selecting eligible students for internship opportunities. The drive targeted B.Sc. Computer Science (TY) students. As part of the evaluation process, participants underwent a written examination followed by personal interviews to assess their technical knowledge, problem-solving abilities, and overall suitability for internship roles.</p> <p>The drive successfully helped identify students with strong academic understanding and practical skills. The combination of exam and interview ensured a fair and comprehensive assessment, enabling the selection of competent candidates for internship placement.</p> |
| 15.    | Any other information         | Primary purpose of selecting eligible students for internship opportunities in subject Data Science, Python Full Stack Development, Java.   |

## Background

The Training & Internship Drive was organized to help students and young professionals gain practical industry skills and real-time work experience. The initiative combined structured training sessions covering essential technical and professional skills with internship opportunities that allowed participants to apply their learning on actual projects. Conducted in collaboration with industry experts and partner organizations, the drive aimed to improve employability, bridge the industry–academia gap, and create a strong talent pipeline. Overall, it successfully provided hands-on exposure and supported participants in developing the competencies needed for their careers.

## The proposed results were:

The internship recruitment drive was successfully conducted to select suitable candidates for various internship roles. A total of **58 candidates** registered, of which **34 participated** in the group discussion. After completing all stages—including tests and interviews **04** were shortlisted for internship positions. The overall drive was efficient, participant turnout was satisfactory, and the selected candidates are proposed for final approval and on boarding.

## Participants

A total of **58 students** participated in the placement drive.

## Outcomes of this Training & Placement Drive:

After a rigorous evaluation, **34** students were **shortlisted** for the final selection, and **04** students received **internship offers** from partner companies through Kiran Academy. Selected candidates will undergo a short training program before joining their respective organizations.

**Dr. R. B. Shinde**  
Head of the Department  
Dept. of Computer Science

## IQAC Letter

Date : 11.10.2025

To,  
The IQAC Coordinator,  
Dayanand Science College,  
Latur.

**Subject:** Seeking permission to organize Training & Internship Drive.

Respected Sir,

Department of Computer Science is organizing the "Training & Internship Drive" on 13<sup>th</sup> October, 2025 at 11:00 am. The aim of the Training and Placement Drive is to bridge the gap between academic learning and industry requirements by providing students with career opportunities and professional exposure. It seeks to enhance employability skills through training, guidance and interaction with reputed organizations, enabling students to secure suitable placements in their chosen fields. So kindly permit **Computer Science Department** for taking this event in seminar hall.

Thanking You.

Yours Faithfully,

  
HOD  
Head  
Department of Computer Science  
Dayanand Science College, Latur

### Dayanand Science College, Latur

Department of Computer Science

Date : 08-10-2025

#### Notice

All B.Sc (CS) SY & TY students are hereby informed that Department of Computer Science will be conducting a **Training & Internship Drive** for the **2026 graduating batch**. Drive is scheduled on **13 October, 2025 at 11:00 am in Seminar Hall**, followed by an initial interaction session to provide students with all necessary information regarding the process and available opportunities. The selection process will include an entrance test to evaluate aptitude and technical knowledge, a group discussion to assess communication and teamwork skills, and a personal technical interview (face-to-face) as the final round. Interested students are advised to stay updated and prepare accordingly.

**Institute Name : Kiran Academy, Pune (Training & Internship Drive)**

**Drive Process:**

We would first interact with students through a Pre-Placement Talk, followed by the below selection process:

**Phase 1: Entrance Test – Assessing Aptitude Skills and Technical Knowledge**

**Phase 2: Group Discussion – Evaluating Communication and Team Skills**

**Phase 3: Personal cum Technical Interview (Face-to-Face) – Final Round of Selection**

### Report on Training & Placement Drive

#### 1. Introduction

The Department of Computer Science, Dayanand Science College, Latur organized a **Training & Placement Drive** in collaboration with **Kiran Academy** on **13<sup>th</sup> October, 2025**. The main objective of the drive was to provide final-year students with an opportunity to begin their professional careers with reputed organizations and to bridge the gap between academic learning and industry requirements.

---

#### 2. About Kiran Academy

**Kiran Academy** is a well-known IT training and placement institute specializing in preparing students for careers in software development, Java programming, Python, cloud computing, and data analytics. The organization partners with various IT companies to recruit skilled candidates and offers professional grooming sessions to enhance students' employability.

---

#### 3. Event Details

The placement drive commenced at **10:00 AM** in the Computer Science Seminar Hall. The event began with a **welcome address** by **Dr. R. B. Shinde**, Head of the Department of Computer Science, followed by a brief introduction to Kiran Academy's placement process by the company's HR representative. The placement process consisted of the following stages:

1. **Pre-Placement Talk** – Overview of the company, career opportunities, and expectations from candidates.
2. **Aptitude Test** – Assessment of logical reasoning, quantitative aptitude, and basic programming skills.
3. **Technical Interview** – Evaluation of candidates' technical proficiency in programming languages and problem-solving abilities.
4. **HR Interview** – Final round to assess communication skills, confidence, and cultural fit.

---

#### 4. Participation

A total of **58** students from the **final year B.Sc. (Computer Science)** programs participated in the drive. The enthusiasm among students was remarkable, and they actively engaged throughout all stages of the recruitment process.

---

#### 5. Outcome

After a rigorous evaluation, **34** students were **shortlisted** for the final selection, and **04** students received **internship offers** from partner companies through Kiran Academy. Selected candidates will undergo a short training program before joining their respective organizations.

## 6. Feedback and Observations

The representatives from Kiran Academy appreciated the students' technical knowledge and communication skills. They also commended the college for its excellent coordination and hospitality. The event helped students gain valuable insights into the corporate recruitment process and boosted their confidence for future placements.

---

## 7. Conclusion

The **Kiran Academy Placement Drive** held on **13<sup>th</sup> October 2025** was a successful initiative by the Department of Computer Science, Dayanand Science College. The event not only provided job opportunities to deserving students but also strengthened the industry-academia relationship. The department extends sincere gratitude to **Kiran Academy** and all faculty members who contributed to making this event a success.
