## Background

Dayanand Science College, Latur, under the Department of Computer Science, facilitated the NPTEL Programming in Java course for its students. The course aimed to enhance students' programming skills and provide comprehensive knowledge of Java concepts, enabling them to develop practical coding proficiency and problem-solving capabilities. A total of **110 students** registered for the course, out of which **25 students enrolled for the examination**. The course was successfully conducted under the guidance of **Mentor: Mr. Sumit K. Joshi**, with the support and supervision of **HOD: R.B. Shinde Mam, Department of Computer Science**, and **I/C Principal: Dr. S.S. Bellale**. **Mr. Sumit K. Joshi was awarded the Top Performing Mentor badge**, recognizing exceptional mentorship and contribution to the students' learning experience. This achievement reflects the high standard of guidance provided throughout the course and contributes significantly to preparing students for professional opportunities in software development and related fields.

## The proposed results were:

- Students/**participants successfully completed the NPTEL Programming in Java course**, gaining hands-on experience with core concepts, data structures, and practical coding projects.
- The **outcomes of the course included** enhanced programming and problem-solving skills, a deeper understanding of Java application development, and increased readiness for professional opportunities in software development.
- The **course also contributed to the broader NPTEL vision** of promoting quality technical education, fostering self-learning, and preparing students to meet the challenges of the evolving IT industry.

## Participants

- A total of **110 students from B.Sc. (CS) SY and B.Sc. (CS) TY** registered for the course.
- Out of these, **25 students enrolled for the examination**.

## Inauguration and Plenary Presentations

- NIL

## Outcomes of this Event

- The course enhanced students' **programming and problem-solving skills**.
- It **boosted confidence** in applying Java concepts to practical coding projects.
- It increased **readiness for software development, self-learning, and professional opportunities**.
- It supported the **NPTEL vision** of promoting quality technical education and fostering lifelong learning in emerging IT technologies.
