About the College

Dayanand Science College, Latur, The Temple of Knowledge Striving for Excellence, is a leading institution run by the Dayanand Education Society. The college has been awarded the status of “College with Potential for Excellence (CPE)” and is NAAC Accredited with A⁺ Grade. It is a DST-FIST sponsored college and has received the Best College Award (Urban) and Best Principal Award by SRTMU, Nanded. The college is also a proud recipient of the Maharashtra Government’s “Shahu-Phule-Ambedkar” Award. Spread over 22 acres of a closed green campus, the institution maintains digital classrooms and laboratories equipped with smart boards and touch panels. The college has received a RUSA Infrastructure Grant of Rs. 2 Crore. It has won the “Microsoft’s Showcase and Innovative College” Award by Microsoft India and the “Clean & Green Campus” Award by Latur Municipal Corporation. The college is recognized as “One District One Green Champion” by MGNCRE under MHRD and has received the 16th and 17th State-Level Awards for Excellence in Energy Conservation and Management by MEDA, in addition to being honoured with the Second Prize for Excellence in Energy Conservation by MEDA. It has also earned the First National Level Award for Scientific Calendar 2022 by MBSI, Best College Award of Career Katta by MITSC and the National Award in Energy Conservation -First Prize by the Ministry of Power, Government of India, presented by the Hon’ble President of India Smt. Droupadi Murmu.

The Dayanand Science Bulletin is a monthly publication that highlights the college’s major academic, scientific, cultural, and co-curricular activities. In this bulletin, we share updates about various college programmes, seminars, workshops, competitions, NSS/NCC activities, departmental events, as well as students’ and teachers’ achievements, awards, and recognitions. It serves as an effective communication platform to keep students, parents, faculty, and stakeholders informed about the institution’s continuous progress and accomplishments, while promoting a culture of excellence, teamwork, creativity, and responsibility.

The bulletin reflects the vision and progressive growth of the college under the able leadership of the Dayanand Education Society, guided by Hon. Shri. Laxmiramaji Lahoti (President), Hon. Shri Lalitbhai Shah (Vice President), Hon. Shri Rameshkumarji Rathi (Vice President), Hon. Shri Rameshji Biyani (Secretary), Hon. Shri Vishalji Lahoti (Joint Secretary), Hon. Shri Shrikantji Utge (Assistant Secretary), Hon. Shri Ajayji Sonawane (Assistant Secretary), Hon. Shri Sanjayji Bora (Treasurer), and all esteemed members of the Society. Their collective efforts continue to strengthen the institution’s academic excellence, research culture, and social commitment. The academic planning, quality enhancement, and overall development of the institution are effectively guided by Dr. J. S. Dargad, Academic Development Officer (ADO), ensuring sustained progress and continuous improvement in all spheres of academic and co-curricular activities.

1. Academic Collaboration Between Nanded Education Society and Dayanand Education Society

An academic collaboration agreement has been signed between Nanded Education Society (NES) and Dayanand Education Institution, Latur under the Education Institute Partnership initiative. The agreement aims to strengthen academic coordination, promote exchange of educational resources, and enhance the overall quality of education. Nanded Education Society, founded by freedom fighter Swami Ramanand Teerth, is a reputed educational organization in Maharashtra. Through this collaboration, special focus will be given to science stream students (Classes XI and XII) to ensure quality education, conceptual clarity, and improved academic performance. As part of the agreement, both institutions will exchange teaching methodologies, academic practices, and educational resources. Joint academic activities and innovative teaching approaches will be implemented to strengthen students' learning outcomes. On this occasion, President of Dayanand Education Society, Hon. Shri Laxmiremanji Lahoti and Secretary Hon. Shri Rameshji Biyani, along with other dignitaries, wholeheartedly welcomed the visiting team.

Under the guidance of NES President CA Dr. Pravin Patil, a team associated with the Academic Excellence Program visited Dayanand Education Institution, Latur. During the visit, discussions were held on academic development, study patterns, and improving student performance. The meeting was attended by prominent members including Mr. Chiranjilal Dagdiya, Mr. Avinash Jadhav, Principal Dr. Lakshman Shinde, Vice Principal Eknath Khillare, former Principal Dr. D. U. Gawai, Dr. A. T. Shinde, Prof. Prashant Sutkar, Prof. H. A. Dhirbasi, and Prof. Dr. Vinod Chavan.

As an important outcome of this collaboration, Dayanand Science College, Latur will conduct online classes for students of Nanded Science Colleges. These classes will particularly focus on preparation for competitive examinations, covering exam patterns, concept-based learning, and subject-wise guidance by expert faculty.

This initiative is expected to greatly benefit students by strengthening their fundamentals, improving academic performance, and helping them achieve success in higher education and competitive examinations.

2. Dr. Babasaheb Ambedkar Jayanti Celebrated at Dayanand Science College

On April 14, 2026, the 135th birth anniversary of Bharat Ratna, Bodhisattva Dr. Babasaheb Ambedkar was observed with great reverence at Dayanand Science College. The program began with a floral tribute to Dr. Babasaheb Ambedkar. The Secretary of Dayanand Education Society, Hon. Shri. Rameshji Biyani, offered homage to the architect of the Indian Constitution and highlighted his immense contribution to social justice, equality, and human rights. On this occasion, the President of the institution, Hon. Shri. Lakshmiramanji Lahoti, conveyed his greetings and best wishes. In his address, Shri Rameshji Biyani stated that Dr. Ambedkar's life and work continue to inspire generations. He emphasized the importance of following the paths of great leaders like Dr. B. R. Ambedkar.

The program was attended by Ashok Patil, Academic Development Officer Dr. Jayprakash Dargad, Principal Dr. Siddheshwar Bellale, Principal Dr. Shivaji Gaikwad, Principal Dr. Wajid Chaus, Vice Principal of Dayanand Science Junior college Prof. Bhausaheb Sarwade, Self-Finance Principal Anilkumar Mali, Supervisor Dr. Hemant Varudkar, Supervisor Dr. Sandhya Kolhe, IQAC Coordinator Dr. Jaman Angulwar, Office Superintendent Navnath Bhalerao, along with heads of departments, teaching and non-teaching staff. The program was hosted by Prof. Megha Pandit and the vote of thanks was delivered by Principal Dr. Siddheshwar Bellale.

3. Visit of Divisional Deputy Director of Education to Dayanand Science College

Shri Deepak Ramrao Chavane, Divisional Deputy Director of Education, Latur Division, visited Dayanand Science College on April 9, 2026, for a district-level review meeting. He was warmly welcomed and felicitated under the guidance of President Hon. Shri Lakshmiramanji Lahoti and Secretary Hon. Shri Rameshji Biyani. Several dignitaries were present, including Shri Sanjay Kshirsagar, District Education Officer for Secondary Education; Smt. Trupti Andhare, Education Officer for Planning and Primary Education; Shri Sanjay Panchgalle, Assistant Deputy Director of Education; Dr. Maruti Salgar, Principal of DIET Murud; Dr. Jayprakash Dargad, Academic Development Officer; Dr. Siddheshwar Bellale, Principal; Dr. Shivaji Gaikwad, Principal of Dayanand Arts College; Prof. Bhausaheb Sarwade, Vice Principal; Shri Anilkumar Mali, Self-finance Principal; Dr. Sandhya Wadikar and Dr. Hemant Varudkar, Supervisors; along with Prof. Balwant Suryavanshi and Prof. Vijaykumar Mandale.

During the visit, Shri Chavane reviewed the teaching methods and interacted with Class XI students. He expressed satisfaction with the academic environment and facilities. Speaking on the occasion, he said, “Dayanand Education Society and Dayanand Science College are emerging as a hub of quality education. The college provides excellent facilities such as experienced faculty, smart classrooms, laboratories, hostels, and digital learning support.” He further added, “Students here get strong guidance for competitive exams like JEE, CET, and NEET. This college offers a great opportunity to achieve success. Students should make full use of these facilities and work towards building a bright career.”

4. Awareness Campaign on “Buttermilk” from a Microbiological perspective by the Department of Microbiology

The Department of Microbiology organized an awareness campaign on Monday, April 6, 2026, in collaboration with the Microbiologists Society, India. The campaign focused on the traditional Indian beverage buttermilk (“tak”) from a microbiological perspective. The main objective of this initiative was to explain and promote the spiritual, cultural, and scientific significance of buttermilk. It is rich in probiotics, vitamins (especially Vitamin B12), calcium, and potassium, which help boost immunity, reduce acidity, and aid in weight management. While presiding over the event, Principal, Dr. Siddheshwar Bellale, emphasized that buttermilk is highly beneficial for health. He urged people to avoid chemical-based foreign beverages and instead adopt traditional Indian drinks like buttermilk. He highlighted that buttermilk improves digestion, helps reduce body heat during summer, prevents dehydration, and keeps the body cool. IQAC Coordinator Dr. Jaman Angulwar described buttermilk as “nectar on earth” in Indian culture and encouraged everyone to include it in their daily diet. Head of the Computer Science and Electronics departments, Dr. Rohini Shinde and Dr. T.H. Mujawar, also participated and supported the campaign. For the success of this initiative, guidance was provided by the Head of the Microbiology Department, Dr. Rahul More. The event was organized and introduced by PG Coordinator Prof. Sheetal Patil.

The program was anchored by Vaibhavi Sakhare, and the vote of thanks was delivered by Dr. Mahesh Karle. M.Sc. first-year student Bhakti Shinde explained the importance of buttermilk from a microbiological perspective. Faculty members including Dr. D.D. Dhere, Prof. S.S. Dhutekar, Prof. S.B. Tekale, Prof. A.R. Ingale, Prof. R.S. Malu, along with Madhav Suryawanshi, Ashok Madane, and students from M.Sc. first and second year were present.

5. Farewell for Postgraduate Students of the Department of Microbiology

On April 6, 2026, a farewell program was organized by the Department of Microbiology for second-year PG students. On this occasion, the Principal, Dr. Siddheshwar Bellale, while delivering the presidential address, advised students to choose a career path based on their interests after completing postgraduation. He emphasized that when one works in a field of interest, consistency is maintained, which ultimately leads to success. He encouraged students to work hard, remain honest and bring pride to the college.

IQAC Coordinator Dr. Jaman Angulwar also guided the students. The event was graced by the presence of Dr. Rohini Shinde, Head of the Department of Computer Science, and Dr. T. H. Mujawar, Head of the Department of Electronics. The program was successfully organized with valuable support from Dr. Rahul More, Head of the Department of Microbiology. The program was anchored by Bhakti Shinde. The introduction was delivered by PG Coordinator Prof. S. D. Patil, and the vote of thanks was given by Dr. Mahesh Karle. On this occasion, Akshata Kalwale, Aarti Kalwale, and Shruti Pawar expressed their thoughts. Faculty members including Dr. D. D. Dhere, Prof. S. S. Dhutekar, Prof. S. B. Tekale, Prof. A. R. Ingale, Prof. R. S. Malu, along with Madhav Suryawanshi, Ashok Madne, and students of M.Sc. first and second year were present for the event.

6. Lecture and Essay writing Competition on the Occasion of Bharat Ratna Dr. Babasaheb Ambedkar Jayanti

On 10 April 2026, Dayanand Science Junior and Senior College organized a two-day program under the theme “Bharat Ratna Dr. Babasaheb Ambedkar Equality Program” on the occasion of the birth anniversary of Dr. Babasaheb Ambedkar. The event was conducted under the guidance of Principal Dr. Siddheshwar Bellale and Vice-Principal of Dayanand Junior College Prof. Bhausaheb Sarvade. The program received an enthusiastic response from students.

On Thursday, 9 April 2026, an essay competition was held on the topic “Dr. Babasaheb Ambedkar’s Contribution for Women.” Students participated in large numbers, submitting essays. On this occasion a lecture was also organized on the topic “Fundamental Rights and Duties in the Indian Constitution.” The keynote speaker, Head of the Chemistry Department Dr. Yuvraj Saranikar, guided students on the fundamental rights and duties of citizens as outlined in the Indian Constitution. He stated that Dr. Babasaheb Ambedkar is the chief architect of the Indian Constitution, and it is because of this Constitution that the common person has gained the right to live with dignity. He further explained that fundamental rights are essential for the overall development and freedom of citizens.

These rights and duties strengthen democracy, restrict arbitrary governance, establish the rule of law, and promote social and political equality. He emphasized that the Indian Constitution is the true foundation of democracy. On this occasion, Supervisor Dr. Hemant Varudkar shared his thoughts. The program was anchored by Prof. Vyankatesh Kaile, while the vote of thanks was delivered by Dr. Suraj Kolhe. Supervisors Dr. S.P. Wadikar and Dr. S.S. Kolhe worked as coordinators and contributed significantly to the success of the event. Students expressed that the program helped spread awareness about the thoughts of the great leader Dr. Babasaheb Ambedkar and deepened their understanding of constitutional values.

7. Book Release of Dr. Yuvraj Saranikar, Dr. Annarao Chougule, and Dr. Mahadev Pandge on the occasion of Birth Anniversary of Bharat Ratna Dr. Babasaheb Ambedkar

A book release ceremony was organized at Dayanand Science College on April 14, 2026, marking a significant academic achievement by the faculty members. The books released by the auspicious hands of President Shri. Laxmiramanji Lahoti and Secretary Shri Rameshji Biyani included “Organic and Inorganic Chemistry” by Dr. Yuvraj Saranikar, Head of the Chemistry Department; “Experimental Approach for the Synthesis of Metal Complex and Applications” by Dr. Annarao Chougule, Head of the Industrial Chemistry Department and by Dr. Mahadev Pandge. It was noted that, a total of 18 books has been published by faculty members in alignment with the New Education Policy (NEP). Speaking on the occasion, Shri Rameshji Biyani emphasized the importance of developing quality academic resources in subjects such as Chemistry, Industrial Chemistry, and Physics for the benefit of students.

He encouraged faculty members to contribute to knowledge creation through writing and research. The program witnessed the presence of institutional members, heads of departments, professors, and teaching and non-teaching staff. On this occasion, members of the institution including Ashok Patil, Administrative Development Officer Dr. Jayprakash Dargad, Principal Dr. Siddheshwar Bellale, Principal Dr. Shivaji Gaikwad, Principal Dr. Wajid Chaus, Vice Principal Prof. Bhausaheb Sarwade, Self-Finance Principal Anilkumar Mali, Supervisor Dr. Hemant Varudkar, Supervisor Dr. Sandhya Kolhe, IQAC Coordinator Dr. Jaman Angulwar, Office Superintendent Navnath Bhalerao, along with heads of departments, professors, teaching and non-teaching staff from junior and senior colleges were present in large numbers.

8. Best Paper Award at National Conference to Janhavi Ambar

Janhavi Ambar, a student from the Department of Biotechnology at Dayanand Science College, Latur, run by the Dayanand Education Society, achieved notable success at a national conference organized by Chandmal Tarachand Bora College, Shirur. She was felicitated for her accomplishment.

The national conference on the theme “Higher Education and Sustainable Development” was organized by the Internal Quality Assurance Cell (IQAC) of Chandmal Tarachand Bora College on March 13 and 14, 2026. Students from various colleges presented their research at the event. Janhavi Ambar presented a poster titled “From Bagasse to Biodegradable Paper: A Sustainable Waste-to-Wealth Approach for Green Entrepreneurship.” Her presentation was awarded the “Best Paper Award” in the technical session.

On this occasion, the Principal of the college, Dr. Siddheshwar Bellale, honored her with a certificate of appreciation. NEET Coordinator Dr. Komal Gomare, Head of Department Dr. Firdaus Biradar, Postgraduate Coordinator Prof. Swarup Gavkare, Prof. Anuradha Shinde, Prof. Rutuja Digraskar, Prof. Tripti Sonkamble, and Prof. Aau Yelikar were present during the felicitation ceremony.

9. “Gurutattvam” Counselling Program under Faculty Development Program

A counselling program titled “Gurutattvam” was organized on April 15, 2026, under the Faculty Development Program in accordance with the New Education Policy. In this counselling session, counsellor Miss. Vaishali Deshmukh provided in-depth guidance on how teachers should effectively perform the role of mentors. She emphasized that teachers and professors should not focus solely on completing the syllabus but should also concentrate on the holistic development of students by adopting the values of the traditional guru-shishya (teacher-student) system along with modern skill-based teaching methods. Through the “Gurutattvam” program, she highlighted the importance of maintaining the commitment and bond in the teacher-student relationship. She further explained that it is the responsibility of teachers and professors to nurture capable students by instilling interest in subjects, providing in-depth knowledge, imparting both practical and theoretical understanding, enhancing language skills, encouraging personal responsibility, and guiding students on how to learn from and correct their mistakes.

Vice Principal of Dayanand Junior college Prof. B. A. Sarvade, while delivering the presidential concluding remarks, stated that every teacher and professor should build a close connection with students, act as mentors, and guide them in the right direction. The program was successfully organized with the support of Principal Dr. Siddheshwar Bellale. The event was attended in large numbers by Supervisor Dr. H. A. Varudkar, Co-supervisor Dr. S. P. Kolhe, IQAC Coordinator Dr. Jaman Angulwar, Commerce College Coordinator Prof. Subhash More, Administrative Officer Prof. Rutuja and all teachers and professors of Dayanand Science and Commerce Colleges.

10. One-Day “Firefighter Training” Workshop at Dayanand Education Society

A one-day training workshop on “Firefighter Training” was organized on April 20, 2026, at Dayanand Science College for the staff of all colleges under Dayanand Education Society. This workshop was jointly conducted by Dayanand Education Society, Latur Municipal Corporation, and Shri Sai Fire Fighting Sales and Services, on the occasion of Fire Service Week. The main objective of the workshop was to observe Fire Service Week, which is commemorated every year from April 14 to April 20 across India, especially in Maharashtra, with great seriousness. During this period, various safety initiatives are carried out across the state under the guidance of the Fire Services Directorate of the Government of Maharashtra. As part of this initiative, the workshop was effectively organized under the original concept and guidance of the President of Dayanand Education Society, Lakshmiramanji Lahoti and Secretary Rameshji Biyani. The workshop was chaired by the Academic Development Officer of the institution, Dr. Jayaprakash Dargad. Among those present were Principal Dr. Siddheshwar Bellale, Chief Guide and Fire Officer of Latur Municipal Corporation Bapusaheb Jadhav, Director of Shri Sai Fire Fighting Sales and Services Ramakant Chate, Workshop Coordinator Dr. Suraj Kolhe, Fire Department personnel Anand Shinde, fireman Girish Wankhede, Manisha Gawli, and senior operator Sandesh Wadhavne. On this occasion, Shri. Bapusaheb Jadhav provided detailed guidance and live demonstrations on precautions and actions to be taken during different types of fire incidents..

He emphasized the need for awareness about fire safety in schools, colleges, hospitals, and other places. He further explained that fire occurs when three elements-air, fuel, and heat come together. Fires are classified into different types such as solid fires, flammable liquid fires, flammable gas fires, metal fires, and electrical fires. These types of fires can cause significant loss of life and property. He also pointed out that many fires occur due to household gas cylinders, and instead of panicking, people should be trained to handle such situations. Therefore, training to control fire is essential in modern times. In case of a fire emergency, one should immediately contact the fire brigade at 101 or 02382-224949. In the introductory speech, Principal Dr. Siddheshwar Bellale said that the workshop was organized to prevent major fire-related accidents and to provide comprehensive fire safety training to staff members. In the presidential concluding remarks, Dr. Jaiprakash Dargad stated that fire systems have been installed across all institutions under Dayanand Education Society. The objective is to ensure that all staff members are trained and acquire technical knowledge of fire systems so they can effectively respond in emergency situations. This workshop was organized with that vision in mind. The vote of thanks was delivered by Dr. Suraj Kolhe, and the program was anchored by Dr. Shweta Lokhande. Professors, teachers, and non-teaching staff from all colleges under Dayanand Education Society were present for the training.

12. Felicitation of Class XI students of the college who achieved outstanding performance in the unit test

Prizes were given to Class XI students for their excellent performance in the unit test. Students who secured first, second, and third ranks received books and cash prizes. The prizes were distributed by Vice Principal of Dayanand Junior college Prof. B. A. Sarvade, Supervisor Dr. H. A. Varudkar, Co-supervisor Dr. Sandhya Kolhe, NEET Coordinator Dr. K. S. Gomare, and Examination Head Mr. Mandale.

13. Complaint box opened in the presence of Class XI students

The college complaint box was opened in the presence of Class XI students as part of the regular student support system. This practice is followed so that students who hesitate to share their concerns openly can express them through the complaint box. The Student Grievance Redressal Cell, formed by faculty members, reviewed all the complaints received. The issues were discussed and suitable solutions were provided. The activity was carried out by Vice Principal of Dayanand Junior college Prof. B. A. Sarvade, Supervisor Dr. H. A. Varudkar, Co-supervisor Dr. S. P. Kolhe, and Mrs. Sangeeta Jaju. The initiative ensures that students' concerns are heard and addressed in a fair and supportive manner.

14. Pro Vice Chancellor Dr. Ashok M. Mahajan Visits Dayanand Science College

Pro Vice Chancellor Dr. Ashok M. Mahajan paid an official visit to Dayanand Science College, Latur to review the ongoing examination processes, including the ECAP examination and additional practical examinations

During the visit, Dr. Mahajan inspected various examination arrangements, interacted with faculty members and reviewed the overall conduct of the examinations. He appreciated the systematic planning, discipline and transparency maintained throughout the process. Dr. Mahajan expressed satisfaction over the smooth and efficient conduct of both the ECAP and practical examinations and commended the college administration for maintaining high academic standards. On this occasion, Principal Dr. S. S. Bellale, IQAC Coordinator Dr. J. A. Angulwar, along with senior faculty members, warmly welcomed Dr. Mahajan and accompanied him during the inspection. On this occasion, President of Dayanand Education Society, Hon. Shri Laxmiremanji Lahoti, and Secretary Hon. Shri Rameshji Biyani conveyed their best wishes and appreciated the efforts of the college for maintaining quality in examination processes.
