Dayanand Education Society's

Dayanand Science College, Latur

NAACA+ with 3.40 CGPA, UGC - College With Potential for Excellence, Best College Award by SRTMUN, DST - FIST

Recognized College, Microsoft's Showcase College and Microsoft Innovative College,

First prize in Energy Conservation at National Level

Affiliated to Swami Ramanand Teerth Marathwada University Nanded

Dayanand Science Bulletin

March 2026

About the College

Dayanand Science College, Latur, The Temple of Knowledge Striving for Excellence, is a leading institution run by the Dayanand Education Society. The college has been awarded the status of “College with Potential for Excellence (CPE)” and is NAAC Accredited with A⁺ Grade. It is a DST-FIST sponsored college and has received the Best College Award (Urban) and Best Principal Award by SRTMU, Nanded. The college is also a proud recipient of the Maharashtra Government’s “Shahu-Phule-Ambedkar” Award. Spread over 22 acres of a closed green campus, the institution maintains digital classrooms and laboratories equipped with smart boards and touch panels. The college has received a RUSA Infrastructure Grant of Rs. 2 Crore. It has won the “Microsoft’s Showcase and Innovative College” Award by Microsoft India and the “Clean & Green Campus” Award by Latur Municipal Corporation. The college is recognized as “One District One Green Champion” by MGNCRE under MHRD and has received the 16th and 17th State-Level Awards for Excellence in Energy Conservation and Management by MEDA, in addition to being honoured with the Second Prize for Excellence in Energy Conservation by MEDA. It has also earned the First National Level Award for Scientific Calendar 2022 by MBSI, Best College Award of Career Katta by MITSC and the National Award in Energy Conservation -First Prize by the Ministry of Power, Government of India, presented by the Hon’ble President of India Smt. Droupadi Murmu.

The Dayanand Science Bulletin is a monthly publication that highlights the college’s major academic, scientific, cultural, and co-curricular activities. In this bulletin, we share updates about various college programmes, seminars, workshops, competitions, NSS/NCC activities, departmental events, as well as students’ and teachers’ achievements, awards, and recognitions. It serves as an effective communication platform to keep students, parents, faculty, and stakeholders informed about the institution’s continuous progress and accomplishments, while promoting a culture of excellence, teamwork, creativity, and responsibility.

The bulletin reflects the vision and progressive growth of the college under the able leadership of the Dayanand Education Society, guided by Hon. Shri. Laxmiramaji Lahoti (President), Hon. Shri Lalitbhai Shah (Vice President), Hon. Shri Rameshkumarji Rathi (Vice President), Hon. Shri Rameshji Biyani (Secretary), Hon. Shri Vishalji Lahoti (Joint Secretary), Hon. Shri Shrikantji Utge (Assistant Secretary), Hon. Shri Ajayji Sonawane (Assistant Secretary), Hon. Shri Sanjayji Bora (Treasurer), and all esteemed members of the Society. Their collective efforts continue to strengthen the institution’s academic excellence, research culture, and social commitment. The academic planning, quality enhancement, and overall development of the institution are effectively guided by Dr. J. S. Dargad, Academic Development Officer (ADO), ensuring sustained progress and continuous improvement in all spheres of academic and co-curricular activities.

Dr. S. S. Bellale
I/C Principal, DSC, Latur

1. Dayanand Education Society's 64-Year Legacy: The Latur Pattern as an Educational Revolution for Maharashtra: Renowned Actor Prashant Damle

On the occasion of the inauguration of the annual cultural gathering 'Yuvatarang' at Dayanand Science College, renowned actor Prashant Damle visited on March 24, 2026. He was felicitated by President of Dayanand Education Society Hon. Shri. Lakshmiramanji Lahoti and Secretary Hon. Shri. Rameshji Biyani." A tea interaction session was held where he engaged in conversation with everyone present. Among those present were Dr. Mehulji Rathod, Nikhilji Rathi, Academic Development Officer Dr. Jayprakash Dargad, Principal Dr. Siddheshwar Bellale, Principal Dr. Shivaji Gaikwad, Principal Dr. Prashant Mannikar, Principal Dr. Poonam Nathani, Principal Dr. Kranti Satpute, Principal Dr. Wajid Chaus, Vice Principal Prof. Bhausahab Sarwade, Self-finance Principal Anilkumar Mali, Supervisor Dr. Sandhya Kolhe, Supervisor Dr. Hemant Varudkar, Cultural Program In-charge Prof. Dr. Yuvraj Sarnikhar, Literary and Cultural Committee In-charge Prof. Megha Pandit, Office Superintendent Navnath Bhalerao, IQAC Coordinator Dr. Jaman Angulwar, Prof. Balwant Suryawanshi, Dr. Komal Gomare, Student Council Secretary Ms. Parnavi Dhaware, Cultural Representative Rutuja Ugile, and Student Representative Sheikh Sarina.

On this occasion, renowned actor Mr. Prashant Damle said that "The Latur education pattern is well known across Maharashtra, and Dayanand Education Society has preserved a glorious tradition of quality education for the past 64 years. Mumbai, Pune, and the entire Western Maharashtra region follow the Latur pattern as a model to improve educational quality". He further stated that, "the institution is also doing commendable work by offering degree courses in theatre, arts, and culture, thus supporting these fields. He expressed that he had long been curious about the Latur pattern, and today he got the opportunity to observe and study it closely". He appreciated the institution for its visionary approach and consistent progress over the decades. He emphasized that the Latur pattern of Dayanand Education Society has brought about an educational revolution in Maharashtra and serves as an inspiration. He encouraged students to make the most of the institution's support and achieve recognition in performing arts and other creative fields. He added that every student has an artist within and they should learn to express their creativity.

Principal Dr. Siddheshwar Bellale stated that Dayanand Education Society has become a hub of education, with around 16,000 students studying in its institutions. He said that due to the strong support of the society, all its colleges are progressing successfully. The institution has made a mark in literature, music, arts, science, sports, dance and theatre.

On this occasion, he appreciated the efforts of Dayanand Education Society and its contribution to student development. He interacted warmly with attendees and shared encouraging words. He also conveyed his best wishes for the continued success of the institution and its initiatives. The vote of thanks was delivered by Academic Development Officer Dr. Jayprakash Dargad. The tea session was organized by Dr. Vishwanath Mote and other members. Heads of all departments, members of the literary and cultural committee and a large number of students from Dayanand Science College were present on this occasion.

2. Celebration of International Women's Day

Encouraging college girls to start entrepreneurial activities while they are still pursuing their education is a real need of modern times. To enhance the hidden talents, confidence, and communication skills among female students, an exhibition of eco-friendly products made from waste materials was organized under the Yuvati Kalyan Mandal 2025-26 on International Women's Day through a new concept called "Homemade Hub". The exhibition showcased various creative items made by the students such as resin art, different types of jewellery, cloth bags, drawing cards, Aari work, and other handmade products created from waste materials. The exhibition was inaugurated in a grand manner by Hon. Shri. Rameshji Biyani, Secretary of Dayanand Education Society, and the Chief Guest Ms. Bhagyashree Pasarkar, B.E. Civil Engineer and Team Leader at Pearson Solutions, Pune.

On this occasion, Shri. Rameshji Biyani emphasized that education and economic independence are essential for women empowerment. He stated that women should be respected and honored not only on International Women's Day but throughout all 365 days of the year. Today, women are leading in every field at the global level. For women empowerment, initiatives must be taken at every level -family, society, and nation. Chief Guest Ms. Bhagyashree Pasarkar also expressed that from Savitribai Phule to modern women, every woman has created her own identity by overcoming challenges. Therefore, participation in such exhibitions and striving to excel in every field is very important.

The Principal Dr. Siddheshwar Bellale, Principal of Dayanand Law College Dr. Poonam Nathani, Principal of Dayanand Pharmacy College Dr. Kranti Satpute, and IQAC Coordinator Dr. Jaman Angulwar also shared their thoughts and highlighted the importance of women empowerment. For the successful organization of this program, coordinators of Yuvati Kalyan Mandal Prof. S.D. Patil, Prof. A.R. Chaudhari, Dr. T. H. Mujawar, and Prof. Aishwarya Andhare, along with office bearers of YKM 2025-26 Priya Gorad, Momina Kazi, Nikita Jadhav, Shital Chavan, Sanika Shanke, Sneha Biradar, Shravani Kaile, Anjali Shinde, Annapurna Tokre, Preeti Matre, Suhani Survase, Pratiksha Lande, and Kanchan Balwad actively participated. Additionally, a Fun Zone Game activity was organized for the ladies teaching and non-teaching staff of the college. All the women staff members enthusiastically participated in the games.

3. Dr. K. S. Gomare served as a Resource Person at National Conference on Higher Education and Sustainable Development

Dr. K. S. Gomare served as a Resource Person at a National Conference on Higher Education and Sustainable Development held on 13th March, 2026 at C.T Bora College, Shirur. During the session, Dr. Gomare highlighted the institution as a model for sustainable development, showcasing its best practices in green campus initiatives, adoption of renewable energy, and responsible resource management.

The presentation emphasized the role of higher education institutions in fostering environmental responsibility and sustainable practices. The abstract of this work has been published in the official proceedings of the conference (ISSN: 2350-0905), reflecting the academic significance and contribution of the study.

4. Counselling Session Arranged for 11th Students for Habits & Stress Management

A counselling session was arranged for 11th students. In this session, counsellor Vaishali Chapsi mam gave session objectives about how to understand habits shape, identify 5 powerful habits to adopt, and learn how habits are formed scientifically. For the success of these, students should prepare a 30 day action plan decided. This session was successfully organized under the guidance of Vice Principal Shri B. A. Sarvade, Supervisor Dr. S. P. Kolhe and Dr. H. A. Varudkar, NEET Coordinator Dr. K. S. Gomare and Assistant NEET Coordinator M. T. Bajpai.

5. Guidance Program on NDA Admission by Dayanand Science Junior College

A special guidance program on the National Defence Academy NDA entrance examination was organized on March 16, 2026, at Dayanand Science Junior College for students of 11th and 12th. On this occasion Lt Vedant Sasturkar an alumnus of the college Class of 12th 2019 was invited as the chief guest and guide. The program was attended by Vice Principal Prof Bhausaheb Sarvade Program Coordinator and Supervisor Dr Hemant Varudkar Supervisor Dr Sandhya Kolhe Prof Vyankat Kaile Kishor Sasturkar and CET Coordinator Prof K G Jadhav. During the session Lt Vedant Sasturkar provided career guidance to the students and shared his experiences about the examinations he had taken and how he prepared for them. He motivated the students by saying that with determination all goals can be achieved whether it is JEE 12th board exams or CET. He also emphasized that mental preparedness is very important for facing rigorous training and encouraged students to always be ready to serve the nation.

He further guided students of 11th and 12th about the NDA and CDS syllabus examination pattern career opportunities and preparation strategies for competitive exams. In his introductory speech Vice Principal Prof Bhausaheb Sarvade said that students both boys and girls should consider NDA as a career option instead of limiting themselves only to medical or engineering fields so that they can contribute to nation building. The vote of thanks was delivered by Prof Vyankat Kaile and the program was anchored by Supervisor Dr Hemant Varudkar. Many teaching and non-teaching staff along with students of 11th and 12th were present on the occasion.

6. Anushka Tambare and Bhakti Potdar from Computer Science Department of Dayanand Science College Selected in Reputed Companies

Two students from the Department of Computer Science of Dayanand Science College have achieved success by securing placements in reputed companies. Anushka Tambare, a third-year BCS student, has been selected as a Graduate Trainee at Tata Consultancy Services (TCS), a renowned multinational company, and has been posted in Bengaluru. Bhakti Potdar, also a third-year BCS student, has been selected as an Analyst – AI/LLM Practice at Innodata India Private Limited, Noida.

On this proud occasion, President of Dayanand Education Society Hon. Shri. Lakshmiramanji Lahoti, Hon. Secretary Shri. Rameshji Biyani, Principal Dr. Siddheshwar Bellale, Head of the Computer Science Department Dr. Rohini Shinde, Department Coordinator Dr. Sangeeta Jaju, and Prof. Sujata Kale congratulated the students and extended their best wishes for their future careers. All department heads, faculty members, non-teaching staff, and students also expressed their happiness and appreciation. On this occasion, Madhavrao Suryawanshi, Bansi Kamble, Prof. Sumit Joshi, Prof. Vaibhav Kulkarni, Prof. Aruna Chaudhari and Priyanka Hipparkar were present. This achievement is a matter of great pride for the Department of Computer Science and an inspiration for other students of Dayanand Science College.

An inspirational guidance program titled “How to Start Preparation for Competitive Examinations” was organized on 5 March 2026 with the objective of creating interest among students in administrative services and guiding them toward success in competitive examinations. The program was jointly organized by Sakal Plus Study Room and Dayanand Science College. The program was conducted with the encouragement of President of Dayanand Education Society Hon. Shri. Laxmiremanji Lahoti and Secretary Hon. Shri. Rameshji Biyani. It was graced by the presence of Principal Dr. Siddheshwar Bellale, Senior Faculty Shrikant Jadhav, Adv. Vaibhav Khupse, Block Development Officer Suraj Gavde, DySP Saurabh Survase, Program Manager of Sakal Media Group Aditya Vaishampayan, Senior Officer of YIN Sakal Amar Sakhare, Program Coordinators Dr. Ravindra Shinde, Dr. Sangeeta Jaju, Dr. Ramshetty Shetkar, journalist Ganesh Swami and Dr. Rohini Shinde. During the session, DySP Saurabh Survase advised students aspiring for MPSC and UPSC to work hard with dedication, manage time effectively, and plan their studies properly. BDO Suraj Gavde explained that life itself is a struggle and emphasized the importance of clear goals, strong foundations and courage to face failure.

7.Guidance Program on Preparation for Competitive Examinations

Adv. Vaibhav Khupse highlighted that Dayanand Education Society is a reputed institution that has produced many talented students and encouraged them to build careers through competitive examinations. Shrikant Jadhav advised students to set clear goals.

In an introductory remark, Principal Dr. Siddheshwar Bellale explained the structure of competitive examinations and emphasized that the program was organized to motivate students to build successful careers. The vote of thanks was delivered by Dr. Ramshetty Shetkar, and the program was anchored by Prof. Aruna Chaudhari. The program was informative and well organized. Through the “Great Bhet” initiative of Sakal Media Group, students not only learn about the success stories of officers but also receive guidance on study strategies according to changing examination patterns. This initiative is proving beneficial for students across Maharashtra, as the weekly digital e-paper makes preparation for MPSC and UPSC in Marathi easier. services by providing quality study material aligned with updated examination patterns. Teaching, non-teaching staff and a large number of students attended the program.

8. Royal Strikers Team Wins Latur Women's Premier League 2026

The team Royal Strikers, consisting of professors and alumni of Dayanand Education Society, won the Latur Women's Premier League 2026 championship. The team was awarded a trophy and a cash prize of ₹11,000. The women's cricket tournament was organized jointly by Rajarshi Shahu Mahavidyalaya, Latur and Astitva Bahuuddeshiya Sevabhavi Sanstha on 28th February and 1 March 2026. A total of 10 teams from different sectors participated in the competition, including teams from Latur Police, women Talathis and professors from various colleges such as Shahu College and Bidwe College. By defeating all the other teams, Royal Strikers won the championship. The team included professors from Dayanand Science College and Dayanand Commerce College along with some former students. Prof. Vaishnavi Joshi received the Woman of the Match award for two consecutive tournaments. The team received guidance from Prof. Vaishnavi Joshi and Prof. Dr. Akanksha Bhanji.

9. Inauguration of Three-Day National Workshop on "Techniques in Advanced Molecular Biology"

A three-day national training workshop on "Techniques in Advanced Molecular Biology" was inaugurated on 4th March 2026. The program was chaired by the Principal Dr. Siddheshwar Bellale. The resource person for the workshop was Mr. Manoj Kumar Borse, Senior Manager at HiMedia Laboratories Pvt. Ltd., Mumbai. The Chief Guest for the program was Dr. Manisha Dhotre, Assistant Professor at Rajarshi Shahu College, Latur. Also, Dr. Rahul More, Head of the Department of Microbiology, and Dr. Mahesh Karale, Workshop Coordinator were present.

During the session, resource person Mr. Manoj Kumar Borse stated that molecular biology will play a very important role in the future. He encouraged students to study molecular biology extensively and develop expertise in the field so that they can benefit from it in their future careers. Dr. Manisha Dhotre provided detailed guidance to the students on Polymerase Chain Reaction (PCR). While delivering the presidential concluding remarks, Principal Dr. Siddheshwar Bellale said that the Department of Microbiology regularly organizes such programs for the overall development of students. He emphasized that students should acquire skills related to molecular biology techniques and use them effectively. He further mentioned that under the new education policy, skill-based learning will have greater demand.

The program began with an introductory speech by Dr. Mahesh Karale, while the vote of thanks was delivered by Dr. Rahul More. The event was anchored jointly by students Rajalakshmi Waghmare and Bushra Fatema. On this occasion, Dr. Deepti Dhere, Prof. Sheetal Patil, Prof. Shailaja Dhutekar, Prof. Sandhya Tekale, Prof. Anuradha Ingale, Prof. Malu, Madhav Suryawanshi, Ashok Madane, along with other teaching and non-teaching staff members, were present. A total of 45 students and teachers from Latur city and other colleges participated in the workshop.

10. Inauguration of Biotechnology Forum; Release of Handmade Posters, Poster Presentation Competition and Prize Distribution

The inauguration ceremony of the Biotechnology Forum organized by the Department of Biotechnology, was held in an enthusiastic atmosphere. The program was organized with the aim of developing scientific thinking, interest in research, and creativity among students. On this occasion, a poster presentation competition was also organized for students. The program was presided over by the Principal, Dr. Siddheshwar Bellale. Head of the Department Avanti Bidkar, NEET Coordinator Dr. Komal Gomare, Biotechnology Forum In-charge Prof. Swaroop Gavkare, Program Coordinator Dr. Firdaus Biradar, Biotechnology Forum President Parnavi Dhaware, and Secretary Shruti Birajdar were prominently present.

The program was inaugurated by unveiling attractive handmade posters prepared by students. Students created creative and informative posters on various scientific topics, showcasing their imagination and scientific thinking. On this occasion, certificates were distributed to the professors who guided the Food Training Program organized for students during National Nutrition Week, as well as to the students who participated in it. Certificates were also awarded to students who had actively worked and contributed to the Biotechnology Forum in the previous year, appreciating their efforts.

In this Poster presentation competition, Suraj Birajdar, Nade Krishna, and Prashant Nakure secured the first prize. Arpita Gore and Shivraj Shendge won the second prize, while Rohit Sable secured the third prize. Zaid Sheikh and Prasanjit Mane received consolation prizes. These students were honored with cash prizes. The program was hosted by Sneha Shinde, Arpita Gore, and Shivraj Shendge. Prof. Shweta Madne, Prof. Rutuja Digraskar, Prof. Trupti Sonkambale, Prof. Aau Yelekar, along with other teaching and non-teaching staff and a large number of students, were present at the event.

11.A counselling session for non-teaching staff

A counselling session for the non-teaching staff was organized on 6 March 2026 at Dayanand Science College by Dayanand Science Junior College. The session was conducted by Staff member Ms. Vaishali Chapsi. During the session, she guided the staff on important professional values such as proper dress code, punctuality, time management, teamwork, respect and empathy in the workplace. She also explained how these qualities help in maintaining a positive and disciplined work environment in the institution. Principal. Dr. S. S. Bellale appreciated the teaching and non-teaching staff members. The session concluded with a short meditation activity, which helped the participants relax and understand the importance of mental well-being. The session also highlighted the importance of clear communication among staff members. Simple ways to handle daily work challenges were discussed. Staff were encouraged to work together and support each other. The session was interactive and helped everyone feel more confident and positive in their work.

12.Certificate Course on“Solar System and PCB Designing” by the Department of Physics, Educational Visit of Students to Sunrays Green Energy

The Department of Physics, organized a certificate course on “New Trends in Solar System and PCB Designing.” The course was conducted from 23 February to 20 March 2026 in the Physics Department of the college. The initiative received guidance and encouragement from the President of Dayanand Education Society Hon. Shri. Laxmiremanji Lahoti, Secretary Hon. Shri. Rameshji Biyani, and the Principal Dr. Siddheshwar Bellale. For this course, Pradeep D. Jadhav and Nitin Suryawanshi, Directors of Sunrage Green Energy Pvt. Ltd., Latur, served as resource persons and provided students with theoretical as well as practical guidance on solar energy systems and modern technologies. As part of the course, a one-day educational industrial visit of students was organized at Sunrage Green Energy Pvt. Ltd., Latur. During the visit, both experts demonstrated the actual design of solar cells and the functioning of solar systems.

In addition, Dr. Vaibhav Bachhuwar provided special guidance on PCB Designing, explaining the PCB design process and its applications to the students. On the occasion of the inauguration of the program, Principal Dr. Siddheshwar Bellale, IQAC Coordinator Dr. J. A. Angulwar, and Head, Dr. V. A. Chaudhari, Head, Dr. T. H. Mujawar, were present.

The program was organized by UG Course Coordinator Dr. S. D. Lokhande, and Postgraduate Coordinator Dr. L. H. Kathawate. Dr. V. D. Mote, Dr. M. B. Pandge, Dr. S. D. Birajdar, Dr. M. W. Atram, Dr. M. B. Awale, and Dr. V. S. Chandak actively contributed to the successful organization of the program. Laboratory Assistant Sudarshan Sarje from the Physics Department and all other non-teaching staff also extended their support. Students participated enthusiastically in the course. Through this program, students gained practical knowledge of renewable energy and modern technologies in the field of electronics.

13. Physics and Electronics Department Organized Guidance Program on Career Opportunities in Electronics

A special guidance program was organized by the Electronics and Physics Departments of the college to introduce students to modern technology and to provide guidance on various career opportunities in the field of electronics. During this program, students were given detailed information about the career opportunities available in electronics and related fields. The chief speaker for the program was Prof. Dr. V. D. Bachchuvar, Assistant Professor in the Electronics Department at Punyashlok Ahilyadevi Holkar Solapur University, Solapur. He informed students about rapidly growing employment opportunities in fields such as Embedded Systems, Internet of Things (IoT), PCB Design, Robotics, Communication Systems, Sensor Technology, and the Semiconductor Industry. He encouraged students to focus not only on theoretical knowledge but also on practical skills, project-based learning, research, and innovation.

The program was chaired by IQAC Coordinator Dr. Jaman Angulwar, who highlighted the need to enhance educational quality, promote research interest among students, and integrate modern technologies. The event was encouraged by Hon. President Shri Lakshmiramanji Lahoti, Secretary Shri Rameshji Biyani, and Principal Dr. Siddheshwar Bellale. The program was coordinated by Dr. T. H. Mujawar, who also delivered the introductory speech, and the vote of thanks was given by Dr. S. D. Lokhande.

14. Dayanand Science College Student Represents Maharashtra at National Environmental Youth Parliament

The program was chaired by IQAC Coordinator Dr. Jaman Angulwar. In his address, he emphasized the importance of improving the quality of education, developing students' interest in research, and connecting them with modern technologies. The program received encouragement from Hon. President of Dayanand Education Society Shri. Lakshmiramanji Lahoti, Secretary Hon. Shri. Rameshji Biyani, and Principal Dr. Siddheshwar Bellale. Head of the Physics Department Dr. Vijendra Chaudhari, Dr. V. D. Mote, Dr. S. D. Lokhande, Dr. M. B. Pandge, Dr. S. T. Birajdar, Prof. Megha Atram, Dr. Mangesh Awale, Prof. Revati Shelke and a large number of students were present. The coordinator of the program was Dr. T. H. Mujawar, Head of the Electronics Department. The introductory speech was delivered by Dr. T. H. Mujawar, while Dr. S. D. Lokhande proposed the vote of thanks at the end of the program.

15. Prize distribution to 11th JEE students, Dayanand Educational Institution is a leading organization using modern technology in the education system – Mr. Ashish Kumar

On March 12, 2026, Mr. Ashish Kumar, Additional Secretary, Ministry of Finance, Government of India, visited Dayanand Science College.

On this occasion, the Principal of the college, Dr. Siddheshwar Bellale, stated that Latur is an education hub and under the leadership of President of Dayanand Education Society, Hon. Shri. Lakshmiramanji Lahoti, and Secretary, Hon. Shri. Rameshji Biyani, Dayanand Educational Institution and Dayanand Science College have been making significant progress in Latur's educational landscape.

The event was attended by key dignitaries including the District Council of Latur, Education Officer Trupti Andhare, Chief Executive Officer of Zilla Parishad Latur, Rahul Kumar Meena, Deputy Education Officer Pramod Pawar, Principal of Latur DIET Dr. Maruti Salgar, Vice Principal Dayanand junior College Prof. Bhausaheb Sarwade, Supervisors Dr. Sandhya Kolhe and Dr. Hemant Varudkar, Self-Finance Principal Prof. Anilkumar Mali, IQAC Coordinator Dr. Jaman Angulwar, Prof. Balwant Suryavanshi, Dr. Komal Gomare, and Prof. Vijaykumar Mandale.

During the visit, Mr. Ashish Kumar discussed various initiatives undertaken by the college for students' future and how exam preparations are conducted. He also interacted with the college principal, supervisors, other faculty members, and students of Dayanand Science Junior College. He appreciated the well-equipped campus, smart boards, student attendance in classes, preparation for JEE, NEET, MHT-CET exams, experienced and expert faculty, computer-enabled labs, DSP facilities, and all modern amenities of the college.

16. One-Day State-Level Workshop on 'Future Ready Teacher – 2026' for Mathematics and Science Teachers at Dayanand Science College

The "Future Ready Teacher – 2026" workshop was held on 14 March 2026 at Dayanand Science Junior College. It was based on the vision of the society's President Lakshmiramanji Lahoti and Secretary Rameshji Biyani. The workshop aimed to improve students' thinking skills and prepare them for the future. Hon. Mrs. Trupti Andhare graced the event as the chief guest and inaugurated the program. Latur is known as a center of education, and the Dayanand Education Society along with Dayanand Science College has made a significant contribution to the renowned Latur education pattern. For the bright future of students, the institution and all its colleges continuously conduct various innovative activities. Taking inspiration from such institutions, every school and teacher should move forward in the same direction.

Every teacher should adopt modern technology in teaching methods instead of relying only on traditional methods according to the changing times. A teacher is the true guide. By honestly fulfilling this guiding role, every teacher should develop students who are ideal, well-disciplined, cultured, and talented.

These views were expressed by Mrs. Trupti Andhare, Education Officer, Zilla Parishad Latur. The workshop was presided over by Dr. Jayprakash Dargad, Educational Development Officer of the Dayanand Education Society. On this occasion, Principal Dr. Siddheshwar Bellale, Vice-Principal Prof. Bhausaheb Sarwade, Supervisor Dr. Sandhya Kolhe, Supervisor Dr. Hemant Varudkar, Self-Finance Principal Anilkumar Mali, and expert resource persons Prakash Kamale, Vijaykumar Kilche, Gaurav Baheti, and Mrs. Janhavi Baheti were present.

During the presidential concluding remarks, Dr. Jayprakash Dargad stated that to make India a developed nation and a global power, the central and state governments are taking initiatives to improve education at school, secondary, higher secondary, and college levels along with other sectors. In his introductory speech, Principal Dr. Siddheshwar Bellale explained the purpose behind organizing the workshop, stating that it aims to train teachers on how to effectively use modern technology in teaching and become smart educators. The workshop was attended in large numbers by mathematics and science teachers from various schools across the state and Latur district, along with teachers and non-teaching staff of Dayanand Science College.

17. Enthusiastic Response to Robotics Expo

A grand exhibition titled “Robotics Expo” showcasing students’ robotics projects and skill development was organized on 14 March 2026 by the Computer Science Department. The expo received an enthusiastic response from students and visitors. A total of eight robotics models and several skill-development projects created by students.

The successful organization of the event was made possible through the guidance and encouragement of the President of Dayanand Education Society Hon. Shri. Lakshmiramanji Lahoti, Secretary Hon. Shri. Rameshji Biyani, Principal Dr. Siddheshwar Bellale, and Head of the Computer Science Department Dr. Rohini Shinde. During the expo, B.Sc. Third-Year Computer Science students presented several agriculture-related robots. These included a seed-sowing robot for farming, a pesticide-spraying robot, a ploughing robot and some robots designed for smart classrooms that help save energy. The Agro-robot exhibition, live demonstrations of robots, and displays of student projects highlighted their skills, innovation, and research abilities, which was widely appreciated. The event aimed to encourage students to continue conducting innovative research in the future. The program was attended by Chief Guest Hon. Mrs. Trupti Andhare, Education Officer of Zilla Parishad, Latur, along with Dr. Jayprakash Dargad, Academic Development Officer of Dayanand Education Society, Latur. Principal Dr. Siddheshwar Bellale and Vice-Principal Prof. Bhausaheb Sarwade were also present. Supervisors Dr. Sandhya Kolhe and Dr. Hemant Varudkar, Self-Finance Principal Anilkumar Mali. Dr. Jaman Angulwar, Dr. Yuvraj Sarnikar, Dr. Shyam Ibatte, Dr. Sangeeta Jaju, Prof. Sujata Kale, and Prof. Balwant Suryavanshi, along with other faculty members, teaching and non-teaching staff, and students, were present for the program. During their visit, the guests interacted with the students, asked questions about the projects, and the students confidently answered all the queries, demonstrating their knowledge and practical understanding.

18. Grand Exhibition of Student Skill Projects at Dayanand Science College

A grand exhibition of skill development products created by students held on March 14, 2026. The exhibition was organized with the core objective of promoting skill development among students and encouraging innovation and research.

This initiative was conceptualized by the President of the institution, Lakshmiramanji Lahoti, and Secretary Rameshji Biyani. The event was graced by Chief Guest Trupti Andhare, Education Officer (Planning), Zilla Parishad, Latur. Other distinguished attendees included Academic Development Officer Dr. Jayprakash Dargad, Acting Principal Dr. Siddheshwar Bellale, Vice Principal Prof. Bhausaheb Sarwade, Supervisor Dr. Sandhya Kolhe, Dr. Hemant Varudkar, Self-Finance Principal Anilkumar Mali, IQAC Coordinator Dr. Jaman Angulwar, Head of Chemistry Department Dr. Yuvraj Sarnikhar, Head of Computer Science Department Dr. Rohini Shinde, along with several faculty members and staff. The exhibition focused on creating awareness about the production of cleaning products and promoting small-scale industries. Students from B.Sc. and M.Sc. programs enthusiastically showcased various products such as perfumes, attars, body mists, and cleaning products. A wide range of items were displayed, including perfumes, attars, body mists, liquid detergents, dishwash liquids, glass cleaners, floor cleaners, phenyl, and handwash products.

The exhibition attracted students from classes 11th and 12th, undergraduate and postgraduate students, teachers from various districts attending workshops, as well as college faculty and non-teaching staff. During the exhibition, detailed guidance was provided on the preparation methods of cleaning products, their ingredients, and opportunities to start small businesses with minimal investment. Guests appreciated the initiative and highlighted the vast self-employment opportunities available in the cleaning products industry.

19. Two-Day Workshop on “Hands-on Training in ChemDraw and Research Methodology” at Dayanand Science College

A two-day workshop on “Hands-on Training in ChemDraw and Research Methodology” was organized on 12th and 13th March 2026 by the Department of Chemistry. The workshop was conducted under the guidance of the society's President Hon. Shri. Laxmiramanji Lahoti and Secretary Hon. Shri. Rameshji Biyani. The workshop was successfully conducted in an enthusiastic and engaging environment. Students received valuable guidance from Principal Dr. Siddheshwar Bellale and Head of the Department of Chemistry Dr. Yuvraj Sarnikar. The students were provided detailed information about chemical structure drawing, research methodology, and modern research tools. On this occasion, IQAC Coordinator Dr. Jaman Angulwar, Dr. Shyam Ibbate, Research Coordinator Dr. Nandini Korde, Head of Industrial Chemistry Department Dr. Annarao Chougule, Prof. Rahul Jadhav, Dr. Ravindra Shinde, Dr. Nathrao Kedar, and Dr. Ramnath Patil were present. On the first day of the workshop, PG Coordinator Dr. Shreyas Mahurkar provided theoretical as well as practical guidance on ChemDraw software. He explained in detail how ChemDraw can be used to accurately and effectively present various chemical structures, reactions, reaction mechanisms, and organic synthesis in chemistry. Following this, Prof. Manisha Munde, Prof. Nirmala Kore, Prof. Navnath Dhekane, Prof. Vitthal Sonkambale, Anushka Kulkarni, Trupti Kulkarni, and Padma Kalme, conducted practical sessions for the students. During these sessions, students practiced directly on computers and learned the practical use of ChemDraw software. Dr. Mahurkar also explained concepts such as three-dimensional structures of chemical compounds, stereochemistry, and how laboratory instruments and chemical processes can be illustrated using ChemDraw.

On the second day of the workshop, Dr. Shreyas Mahurkar delivered a detailed presentation on the Basics of Research, explaining the fundamental concepts of research. In the second session, Head of the Department of Microbiology Dr. Rahul More guided students on the topic “Interdisciplinary Research.” He also provided information about research publications. He emphasized that proper citation and referencing are extremely important in research and explained how references should be properly presented. He also guided students on how to create accounts on important research platforms such as ResearchGate, Scopus, and Google Scholar. At the end of the program, Librarian Prof. Kiran Bhise guided students about e-resources, e-books, research journals, online databases, various research websites, and how to conduct a literature survey.

Students then performed practical exercises on computers. Using the provided information, they explored e-books, e-resources, and various updated subscription-based research applications and websites and searched for different research articles from various publications. Students from M.Sc. First Year, M.Sc. Second Year, and B.Sc. Second Year enthusiastically participated in the workshop and benefited from it. Students from M.Sc. Second Year also extended special support in organizing the program. This workshop proved to be highly beneficial for skill development and enhancing research knowledge among students, and the initiative by the Department of Chemistry was widely appreciated.

A total of 60 students participated in the workshop. Certificates were distributed to the participants by Principal Dr. Siddheshwar Bellale, Head of Department Dr. Yuvraj Sarnikar, and IQAC Coordinator Dr. Jaman Angulwar. Other faculty members and non-teaching staff of the college were also present on the occasion.

20. Farewell Program for BCS Third-Year Students

A farewell program for the BCS third-year students of the Computer Science Department was organized on March 15, 2026. The program was presided over by the college's Vice Principal, Dr. Siddheshwar Bellale. Distinguished guests included Head of the Computer Science Department Dr. Rohini Shinde, Head of the Hindi Department Dr. Gajanan Bane, Department Coordinator Dr. Sangeeta Jaju, along with Prof. Sujata Kale and Prof. Vaibhav Kulkarni. In presidential address, Dr. Siddheshwar Bellale stated that discipline and hard work are the only paths to success in life. He encouraged students to build their careers with dedication, determination, perseverance, and self-confidence. In her introductory speech, Dr. Rohini Shinde emphasized that one's working style and professional skills should be so excellent that no one can raise questions about them.

Dr. Gajanan Bane remarked that college life is a collection of memories and experiences, and the friendships formed during this time often become lifelong companions, guiding individuals in the right direction. Dr. Sangeeta Jaju said that college life is a crucial phase for shaping one's career. She urged students to cultivate good habits, maintain discipline, and manage their time effectively to achieve success. The program was anchored by Veena Bhandari, Gauri Marale, Ritika Rathod, Vishwajeet Sadevade, Gangadhar Surnare, Madhura Dhanorkar, and Vaibhavi Mardikar. The vote of thanks was delivered by student Vaibhavi Mardikar. On this occasion, BCS third-year students Tanuja Bhosale, Pranav Kulkarni, and Shraddha Jadhav shared their thoughts and memories of their three years at the college. The event was attended by faculty members including Prof. Mangesh Sugre, Prof. Pooja Nandgawhe, Prof. V. A. Pawar, Prof. Asha Borade, Prof. Aruna Chaudhary, Prof. Sumit Joshi, Prof. Bangad, Prof. Dipali Dadge, as well as Priyanka Hipparkar, Mansi Gaikwad, Sanjay Pandey, Rahul Banbheru, and others. The farewell program concluded in an emotional atmosphere, with heartfelt gratitude expressed towards all the teaching and non-teaching staff of the college.

21. Aryan Girwalkar wins Second Prize in Skit at National Youth Festival- Felicitated by Hon. Secretary of Dayanand Education Society Shri. Rameshji Biyani

Aryan Girwalkar, a third-year B.Sc. B.T. student of Dayanand Science College, Latur, has secured second place in the skit (short play) category at the National Youth Festival held in Chennai. At this National Youth Festival, Swami Ramanand Teerth Marathwada University, Nanded, achieved historic success after 26 years by securing top honours. Competing among 142 prestigious universities across eight zones in the country, the university earned recognition in a total of seven art categories. Among these achievements, Aryan Girwalkar from Dayanand Science College secured second place in the skit category, bringing national recognition to Swami Ramanand Teerth Marathwada University, Dayanand Education Society, and Dayanand Science College.

On this occasion, Hon. Shri. Lakshmiramanji Lahoti, President of Dayanand Education Society, congratulated him, and he was formally felicitated by Secretary Hon. Shri. Rameshji Biyani. The event was attended by Principal Dr. Siddheshwar Bellale, Principal Dr. Shivaji Gaikwad, Supervisor Dr. Sandhya Kolhe, Supervisor Dr. Hemant Varudkar, Self-Finance Principal Anilkumar Mali, Captain Dr. Vijendra Chaudhari, Dr. Komal Gomare, Prof. Kavita Jadhav, and others. Additionally, Vice-Chancellor Dr. Manohar Chaskar, Pro Vice-Chancellor Dr. Ashok Mahajan, along with heads of departments, professors, and non-teaching staff of the university, extended their congratulations and appreciation. Previously, Aryan Girwalkar had won first prize in the mimicry category at the Inter-Collegiate Youth Festival 2025. He also participated in mime, one-act play, and mimicry events at the Inter-University Youth Festival (Indradhanush) 2025. At the All-India University Central Zonal Youth Festival, he secured second prize in the skit category and also won second prize in creative dance. He has also achieved remarkable success in competitions held at Sathyabama University (Chennai), MGM University (Chhatrapati Sambhajanagar), and Kavayitri Bahinabai Chaudhari North Maharashtra University (Jalgaon).

22.Farewell to B.Sc. III and Biotechnology III Year Students

Dayanand Science College and Dayanand Education Society consistently organize various activities focusing on students as the central priority, aiming at their overall development. As a result, every student educated within the Dayanand family excels in diverse fields. The college provides ample opportunities for students to showcase their talents, and its modern facilities significantly contribute to shaping their careers. Despite this, students should strive to work with honesty and excellence in the future, bringing pride to their parents, college, and institution. They should maintain a lifelong connection with the Dayanand family and use their knowledge for the betterment of society. There are numerous career opportunities ahead, and students must make the most of them. This was expressed by the college's Vice Principal, Dr. Siddheshwar Bellale, during his presidential concluding address.

The farewell program for B.Sc. III year and Biotechnology III year students was organized on March 22, 2026, at Dayanand Science College. On this occasion, program coordinators Dr. Gajanan Bane, Dr. Mahesh Karle, Prof. Shweta Madne, IQAC Coordinator Dr. Jaman Angulwar, Dr. Yuvraj Saranikar, Dr. Ravi Solunke, Dr. Chandrashekhar Swami, Dr. Mahesh Bembde, Dr. Rohini Shinde, Prof. Megha Pandit, Dr. Rahul More, Dr. Vishwanath Mote, Dr. Ramshetty Shetkar, Dr. Firdos Birajdar, Prof. Swarup Gavkare, Prof. Anuradha Shinde-Patil, Parnavi Dhaware, and Rutuja Ugile were prominently present. During the event, Dr. Jaman Angulwar encouraged students to enhance the reputation of Dayanand Science College through their experiences, knowledge, and skill development. The program began with an introduction by Dr. Gajanan Bane, while the vote of thanks was delivered by Parnavi Dhaware. The event was compered jointly by Ajit Gujar and Abdul Sheikh. Students from B.Sc. and Biotechnology final year—including Rajlaxmi Waghmare, Digvijay Patil, Bushra Fatema, Aryan Girwalkar, Pratiksha Jadhav, and Sarina Sheikh—shared their experiences and memories from their college life. To add charm to the program and encourage hidden talents among students, various competitions and entertainment activities were also organized. A large number of faculty members, teaching and non-teaching staff, and students were present on the occasion.

23. On the Occasion of π -Day Special Guidance Program Organized for School Students

The Department of Mathematics at Dayanand Science College, Latur, under Dayanand Education Society, organized a “ π Day Special Guidance Program for School Students – Future Achievers” on March 14, 2026, at Z.P. Girls High School, Latur. The program was conducted from 10:00 AM to 12:00 Noon with the aim of nurturing young minds and guiding school students towards a competitive future by emphasizing the importance and applications of mathematics. The session witnessed enthusiastic participation from students and was carried out under the guidance of Principal Dr. S. S. Bellale (I/C Principal & HOD, Mathematics). The Chief Guest, Mr. B. B. Mali, Headmaster of the school, motivated students by highlighting the significance of mathematics in academic excellence and career development. The event was effectively coordinated by Miss A. R. Andhare, Assistant Professor, Department of Mathematics, whose efforts ensured the smooth execution of the program. Through interactive sessions and insightful guidance, students were encouraged to enhance their problem-solving abilities and develop a deeper interest in mathematics. The program concluded on a positive note with encouraging feedback from both students and teachers, marking it as a successful and impactful initiative.

24. Enthusiastic Response to Student–Parent Interaction Meet at Dayanand Science College

Dayanand Science Junior College, renowned for its strong tradition of quality education, organized a Student–Parent Interaction Meet on March 28, 2026, at the Dayanand Auditorium under the visionary leadership of President Lakshmiramanji Lahoti and Secretary Rameshji Biyani. The program was specially organized for students and parents aspiring to prepare for competitive examinations such as NEET, JEE, and MHT-CET. The event was chaired by Dr. Shivaji Gaikwad, Principal of Dayanand Arts College, in the presence of distinguished dignitaries including Principal Dr. Siddheshwar Bellale, Vice Principal Prof. Bhausaheb Sarwade, Self-finance Principal Anilkumar Mali, Supervisors Dr. Sandhya Kolhe and Dr. Hemant Varudkar, along with coordinators and faculty members of various competitive exam cells. In his presidential concluding remarks, Dr. Gaikwad highlighted that Dayanand Education Society is a leading institution with a rich legacy of academic excellence, playing a crucial role in shaping students' careers through the well-established Latur pattern in JEE, NEET, MHT-CET, and board examinations. He emphasized the institution's commitment to holistic development through experienced faculty, problem-solving centers, night study facilities, free tea arrangements, well-equipped libraries, hostels, digital classrooms, and continuous assessment practices, which have enabled students to excel as doctors, engineers, and responsible citizens.

He also noted innovative initiatives such as the single-parent support scheme and student adoption scheme, later recognized at the government level. In his introductory address, Vice Principal Prof. Sarwade reiterated the institution's dedication to students' bright futures and guided them regarding career opportunities in higher education. The event included detailed guidance sessions on NEET, JEE, MHT-CET, and board examinations by respective coordinators and faculty members. The program concluded with a vote of thanks by Dr. Sandhya Kolhe, while Prof. Balwant Suryawanshi efficiently anchored the session. The meet witnessed an overwhelming response with the presence of nearly 7,000 students and parents, along with teaching and non-teaching staff, making it a highly successful and impactful event.

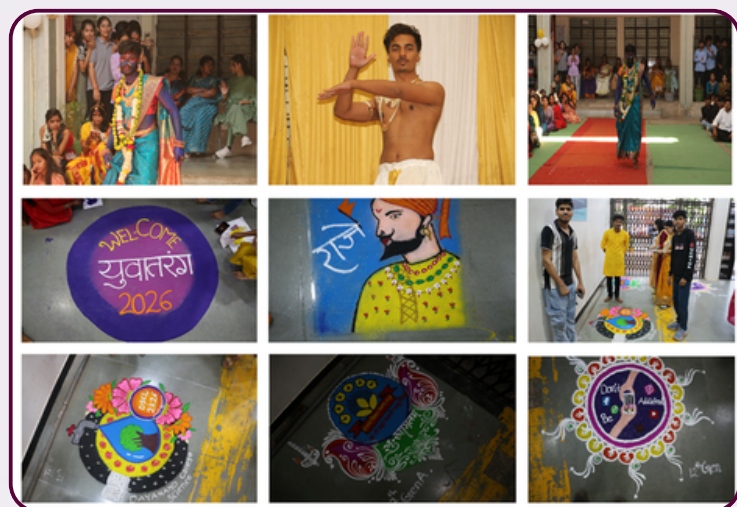

25. Grand inauguration of the "Yuvatarang" annual gathering

The grand inauguration of Yuvatarang Annual Gathering 2026 was held on 24 March 2026 under the guidance of President Hon. Shri. Lakshmiramanji Lahoti and Secretary Hon. Shri. Rameshji Biyani of Dayanand Education Society. Renowned Marathi film and theatre actor Prashant Damle encouraged students to perform good deeds, earn virtue, and stay away from bad habits. He urged them not to get excessively absorbed in the virtual world of mobile phones and the internet, but instead to manage their time wisely and bring pride to their parents, institution, and college. He emphasized that whether it is science or performing arts, competition exists in every field. In this competitive era, one should find answers to life's questions through one's own conscience. Students should build careers based on their interests in fields like art, science, sports, music, theatre, dance, rhythm, and melody. He remarked that every individual is an artist on the stage of life. Therefore, while enjoying youth with fun and enthusiasm, students should dedicate at least four hours daily to reading and studying. He assured that Dayanand Education Society and the college stand firmly behind the students and advised them to live a positive and happy life by accepting both success and failure. On this occasion, Academic Development Officer Dr. Jayaprakash Dargad, Principal Dr. Siddheshwar Bellale, Vice Principal of Junior college Prof. Bhausaheb Sarvade, Student Council In-charge Prof. Dr. Yuvaraj Sarnikaar, Cultural In-charge Prof. Megha Pandit, Self-finance Principal Anilkumar Mali, Supervisor Dr. Hemant Varudkar, Office Superintendent Navnath Bhalariao, Prof. Balwant Suryawanshi, Dr. Komal Gomare, Student Secretary Parnavi Dhaware, and student representatives Rutuja Ugile and Sarina Shaikh were prominently present. In presidential concluding remarks, Principal Dr. Siddheshwar Bellale stated that Dayanand Education Society is a leading institution that places students at the centre and provides opportunities to nurture their talents. He added that the institution and college have earned recognition at the national level. Before the inauguration, during the tea gathering, actor Prashant Damle was felicitated by President Hon. Shri. Lakshmiramanji Lahoti, Secretary Hon. Shri. Rameshji Biyani, Hon. Dr. Mehulji Rathod, and Hon. Shri. Nikhilji Rathi. The program was anchored by Prof. Balwant Suryawanshi, while the vote of thanks was delivered by student representative Rutuja Ugile. The introduction of the chief guest was given by student Vaibhavi Burge. On this occasion, Dr. Deepti Dhere presented a report on meritorious and sports-achieving students, and Student Secretary Miss. Parnavi Dhaware presented the college report.

The chief guest awarded cash prizes of ₹10,000, ₹7,000, and ₹5,000 respectively to the first, second, and third rank holders on behalf of Dayanand Education Society. IQAC Coordinator Dr. Jaman Angulwar, Supervisor Dr. Sandhya Kolhe, Prof. Bhalchandra Koylawar, Prof. Vijaykumar Mandale, along with all department heads, professors, teaching and non-teaching staff, and a large number of students from Dayanand Junior and Senior College were present on the occasion.

26. Grand Conclusion of “Yuvatarang” Annual Gathering with Enthusiasm and Celebration

“Yuvatarang” Annual Gathering 2026, was successfully concluded in a joyful and vibrant atmosphere. The event was held from March 24 to 25, 2026, under the guidance of President Laxmiramanji Lahoti and Secretary Rameshji Biyani. During the gathering, students set up a variety of food stalls in the “Anand Nagari” section, which provided them with practical exposure to entrepreneurship. The annual gathering was not just a platform to showcase artistic talent but also an invaluable opportunity for students to explore and express their hidden abilities through cultural programs.

The energy and enthusiasm of the youth were evident through music, traditional attire, and lively performances. Students dazzled in colourful outfits and traditional turbans, enjoyed delicious food, and danced enthusiastically to Marathi and Hindi songs, reflecting the spirit of celebration.

Dayanand Science College is not only an institution that nurtures scientific minds but also a platform that develops well-rounded, capable students and contributes to an educational transformation across Maharashtra. Students were mesmerized by energetic performances on popular songs. The audience thoroughly enjoyed the vibrant Lavani performances and Marathi-Hindi remix numbers.

Various competitions were also organized through the Student Welfare Committee and Cultural Committee, including essay writing, elocution, poster painting, mehendi, rangoli, singing, cinematic reel shooting, logo design, Bollywood character competition, solo dance, and group dance. On this occasion, meritorious students and winners from different fields such as literature, music, arts, science, sports, NSS, NCC, and classes 11th and 12th were honoured with cash prizes, certificates, and awards at the hands of Principal Dr. Siddheshwar Bellale and other dignitaries.

The successful execution of the annual gathering was made possible through the dedicated efforts of Principal Dr. Siddheshwar Bellale, Vice Principal of Junior college Prof. Bhausaheb Sarwade, Student Council Head and Chemistry Department Head Dr. Yuvraj Sarnikar, Cultural Head Prof. Megha Pandit, Self-Finance Principal Anilkumar Mali, Office Superintendent Navnath Bhalerao, Supervisors Dr. Sandhya Wadikar and Dr. Hemant Varudkar, IQAC Coordinator Dr. Jaman Angulwar, along with faculty members, staff, student representatives, and all students. The event concluded on a high note, leaving behind cherished memories and a spirit of unity and celebration.
