International Conference on 'Recent Trends and Future Prospects in Life Sciences for Sustainable Development' (RTFPLSSD-2027)

February 04-06, 2027

Organized by

Department of Zoology, Botany & Microbiology
Dayanand Science College,
Latur - 413512 (MS), India

Affiliated to
Swami Ramanand Teerth Marathwada University, Nanded

Dear colleagues,

It gives us immense pleasure to invite you to participate in the International Conference on 'Recent Trends and Future Prospects in Life Sciences for Sustainable Development' (RTFPLSSD-2027).

Academicians, researchers and industry professionals in the fields of Life Sciences, Zoology, Botany, Biotechnology, Microbiology, Environmental Sciences, Biodiversity, Ecology, Fisheries, Aquaculture, Genetics, Molecular Biology, Biochemistry, Parasitology and other interdisciplinary subjects are requested to kindly submit their original abstracts for Oral/Poster presentation and full length papers for publication in reputed International Journal.

For more information regarding the guidelines, please visit the website : http://dsclatur.org or Email us: jclsdscl2027@gmail.com

Objective of Conference

The main aim of the conference is to bring together academicians, researchers, scientists, industrialists, technologists, professors, research scholars and students from across the world to share knowledge and discuss recent trends and future prospects in Life Sciences for sustainable development. The conference will provide a platform to exchange ideas, promote interdisciplinary interaction, and address emerging challenges in Life Sciences and allied fields. The scientific programme will consist of keynote lecture, plenary sessions (invited talks), oral presentations and poster presentations.

About the Institution

Dayanand Education Society is one of the oldest educational institutions in the region, established in 1961. The motto of the Society is "Let the noble thoughts come to us from all the directions of the universe."

The campus of Dayanand Education Society comprises six different colleges, imparting education from Junior College to Senior College level to nearly 15,000 students. More than 800 teaching and non-teaching staff are dedicatedly working towards achieving the mission, vision and goals of the Society. For more information, please visit: https://dsclatur.org/history/

About the College

Dayanand Science College, Latur, is one of the oldest and premier single-faculty science colleges in the Marathwada region, committed to excellence in science education and research. The college offers education in several branches of science and has received various National and International awards and recognitions for its academic and research achievements.

During the last decade, the college has organized 17 INSPIRE Science Camps, 4 National level Refresher Courses, 4 International Conferences, 18 National Conferences, and 12 State/Regional Conferences and Workshops.

In 2022, the college was accredited with an 'A+' Grade by NAAC in its third Cycle, with a CGPA of 3.40 out of 4.00. The college also received the First Prize in the National Energy Conservation Award–2022, awarded by the Ministry of Power, Bureau of Energy Efficiency, Government of India, on 14 December 2022. The College was awarded AAA 'O' Grade by SRTMUN for the Academic year 2025-26, further demonstrating its continued commitment to academic quality and institutional excellence. For more information, please visit: https://dsclatur.org/about-college/

About the Departments

The Departments of Zoology, Botany, and Microbiology are prominent academic branches affiliated with SRTM University, Nanded, collectively managed by 11 permanent faculty members. All three departments offer both Undergraduate (UG) and Postgraduate (PG) programs to students. The Zoology and Microbiology departments serve as recognized Research Centers for advanced doctoral (Ph.D.) studies. More information is available on their official portals at dsclatur.org.
